

- 18 GAUGE CUT 3 LEVEL B (ISO 13997)
- High tensile strength to weight ratio
- Mid level cut resistance
- Highly resistant to abrasion and tear providing long-lasting protection
- Nitrile micro foam palm-coated for excellent grip
- Non-slip, dust & lint-free
- Breathable, superior comfort
- Coloured cuffs for easy identification
- EN388 : 2016 Rating of 4X42B
- Durable salt and pepper shell

**FEATURES**

18 Gauge Level 3/B (ISO 13997)  
 EN388 : 2016 Rating of 4X42B  
 High Tensile Strength: Weight Ratio  
 Mid Cut Resistance  
 Highly Resistant to Abrasion & Tear  
 Nitrile Micro Foam Palm-coated  
 Non-slip, Dust & Lint-free  
 Breathable, Superior Comfort  
 Coloured Cuffs for Identification

**APPLICATIONS**

Automotive Industry  
 Aerospace Industry  
 Electronics Manufacturing  
 Petrochemical Industry  
 Construction Industry  
 Mechanical Work  
 General handling, assembly  
 Manufacturing and maintenance

**TECHNICAL DATA**

Material X-Grip PE, Nitrile  
 Colour Black & White
