

# TRIONIC E-194 BPK

Bulk packed tri-polymer exclusive that offers 100% comfort for optimal mechanical and chemical resistance

## SPECIFIC ADVANTAGES

### Cut protection

- Extensive range adapted to all applications: wide cuff for double-gloving, extended length to protect the forearm

### Skin protection

- Excellent resistance and strong chemical protection against a great number of chemical products: exclusive Trionic formula made from a mix of natural latex, neoprene and nitrile

### Guaranteed quality

- Manufacturing process ensuring the control of a very low level of contaminants: particulate content, non-volatile residues, extractables => Washed, controlled and packaged in an ISO 5 room / Particle rate measured compatible with the needs of an ISO 4 room
- Silicone free to prevent traces, defects on metal sheet and glass prior to painting

### Additional benefits

- Class 100 (ISO 4) Compatible
