

# **EU-TYPE EXAMINATION CERTIFICATE**

The following model of Personal Protective Equipment has been subjected to an EU-type examination in accordance with the module B of the PPE regulation (2016/425) and has been shown to satisfy to essential health and safety requirements.

Certificate N° 0075/008/161/09/20/2303 EXT 07/10/20

Issued by CTC, Notified Body N°0075, to the following model of personal protective equipment:

Manufacturer : MILLE S.A.S. (Gaston MILLE)

69 rue Marcel Valérian - Parc d'Activités de la Grange Blanche -

84350 COURTHEZON

France

**Description** 

PPE Type: a safety footwear

Product reference : MARS
Article code : MABN3
Construction and material of outsole : PU/TPU

## **PROTECTION SCOPE**

#### **Basic requirements:**

This product has been designed to be a safety footwear.

The technical rules are:

European Standard EN ISO 20344: 2011 Personal protective equipment - test methods for footwear

European Standard EN ISO 20345: 2011: Personal protective equipement - Safety footwear

It is a category II product

Requirement of the standard EN ISO 20345 : 2011 concerning the value of the coefficient of friction of ceramic tiles floor with detergent solution (SRA)

Requirement of the paragraph 5.8.1. Design of the standard EN ISO 20345 : 2011 concerning cleated outsole.

At the date of certificate, the product is in compliance with Annex XVII of European REACh regulation (n° 1907/2006 and revisions)

#### Additional requirements:

The additional requirements are:

- Closed seat region
- Antistatic footwear
- Energy absorption of seat region
- Fuel oil resistance
- Upper: Water penetration and water absorption
- Penetration resistance
- Heat insulation
- Cold insulation

### **MARKING - PACKAGING**

#### Information printed on the footwear:

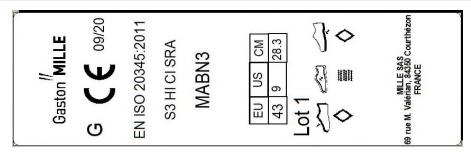

- \* Logo of the Manufacturer
- \* Logo (€
- \* Manufacturer's type designation
- Postal address of manufacturer
- \* Footwear's reference

MARS

MABN3

- \* Article code
- \* Size
- \* Year of manufacture and at least quarter
- \* The number and year of the Standard used
- \* The symbol(s) of the additional requirements

#### Marking example:

The location of marking is: Tongue lining and outsole

### Method of marking on the footwear:

White normative label stitched on the tongue lining + engravings on the outsole

#### Packaging:

1 pair per cardboardbox + dessicant pouch + IFU
