

- Exceptional resistance to abrasion, chemicals, oils and fats
- Polyurethane construction is lightweight, strong and tough, and offers outstanding tear and puncture resistance
- Protects body, shoulders and arms
- Maintain hygiene standards in food handling
- Lightweight & comfortable apron
- Smooth, pore-free surface
- Washable, does not lose its flexibility
- Resistant to animal oils and fats
- Ideal for the meat, fish, and foodstuffs industries
- Made from high-quality durable Polyurethane foil
- No inner fabric layer
- Free size fits most

**FEATURES**

Exceptional Resistance to Abrasion, Chemicals, Oils & Fats  
Lightweight, Strong, Tough, and with Outstanding Tear & Puncture Resistance  
Protects Body, Shoulders & Arms  
Lightweight & Comfortable Apron  
Smooth, Pore-free Surface  
Washable Does Not Lose Flexibility  
Ideal for Plant Disinfection & Sanitization, & Industries Involving Transfer of Liquids eg. Food Processing, Chemical & Life Sciences  
Made from High-quality Durable Polyurethane foil  
Free Size Fits Most

**TECHNICAL DATA**

Material	Polyurethane
Colour	Royal Blue
Size	65cm (W) x 120cm (L)
Thickness	0.35mm

Also in: Sleeveless Variation
