

ECA Media Filter

- ✓ Injection Moulded High Strength Tank
- ✓ High Strength Materials For Long Life
- ✓ Suitable for In-Ground and Above Ground Pools
- ✓ 10 Year Warranty On Tank

AstralPool ECA Media Filter

Designed and 100% made in Australia, the ECA Sand Filter utilises the same high quality manufacturing process as AstralPool's larger filters to achieve sparkling clear pool and spa water.

For conventional above ground and small to medium size in-ground pools, the ECA Sand Filter is often the perfect choice for these applications.

A high tooling and machinery investment combined with engineered shape and performance means the ECA Sand Filter is perfect for all pools up to 60,000 litres while turning over the pool water twice in an 8 hour daily filtration cycle.

Simple and easy installation means lower installation and maintenance costs. High quality components such as oil filled pressure gauge, corrosion free valve connections and fast draining of water and filter media for maintenance mean the ECA Sand Filter is not only economical to purchase but is economical and easy to maintain and service for the life of the product.

Warranty

Each filter is covered by a limited 10 year warranty on the tank and 12 month warranty on the valve and internals. For more information go to astralpool.com.au

Dimensions and Specifications

Model	Tank Diameter	Filter Area	Port Size	6 Hr. Turnover	8 Hr. Turnover	Sand Required	Course Glass	Fine Glass
ECA550	540 mm	0.21 Sq M	40 mm	65,000 ltrs	85,000 ltrs	80 kg	2 Bags	3 Bags
ECA650	630 mm	0.30 Sq M	40 mm	92,000 ltrs	120,000 ltrs	120 kg	3 Bags	5 Bags

Dimensions with valve installed

Model	Height	Width	Shipping Weight
ECA550	95 cm	55 cm	13 kg
ECA650	103 cm	65 cm	17 kg
