TOUGH ENOUGH

INTRODUCING THE NEW M300 CORPUS® HD, a heavy duty power wheelchair designed specifically for users up to 450 lbs. The HD has extremely sturdy arm and legrests as well as wider footplates for additional room, and it features the world-renowned Corpus seating system for the ultimate in comfort with an unmatched power tilt range of 0-45° and an unprecedented recline of 85-150°. The M300 base is highly maneuverable and has been both extended and widened for the HD model, while the suspension has been strengthened for an overall more stable platform. The ultra-strong actuators allow users to safely elevate their feet above their hearts, while the durable mesh-style upholstery helps keep moisture away from the body. With the legendary power and toughness of Permobil, the M300 Corpus HD is **BUILT TO WITHSTAND THE RIGORS OF ANY HEAVY DUTY LIFESTYLE.**
