

# The Plane<sup>®</sup> Cloud

## Balance Board For Standing Desks

The secret to a happy and productive work day is having the option to move. The Plane Cloud is the perfect tool for kicking your team into high gear, offering subtle, non-distracting 360 motion while its attached anti-microbial foam top adds extra comfort. Users tell us they're happier and more comfortable at work when moving on our boards. On top of that, they maintain focus, remain awake and alert, and burn calories.

### Materials:

- The base is molded in the US from 100% post-industrial recycled materials and uses one of the strongest plastics available, #2 recycled plastic.
- The foam top deck is made from 100% recyclable materials that are naturally non-microbial to prevent odor.

### Specifications:

- 24" long x 12" wide x 3" tall
- Weight: 5 lbs, 15oz
- Designed and built in California
- Recommended for users under 250 lbs.
