MAINTENANCE

Please find tips below on how to keep your Lillagunga Fleximat in good shape for as long as possible:

1. Single stains can be dabbed, not rubbed, carefully with lukewarm soapy water. Don't dry in the sun and don't use a dryer.
2. The covers are washable in lukewarm water up to 30 degrees in the washing machine. Let them dry laying flat and don't use a dryer.
3. You can iron your cover on low heat if needed.
4. After washing the cover it can look like they have shrunk a bit, but they will come back to their original form during use.

SAFETY IN MIND

Safety shall always be taken very seriously

- Don't let children play on the mat while others are using activity toys above the mat.
- The Fleximat shall be placed on flat floors: remove any object or items under the mat, particularly hard or sharp items may cause trouble.
- For slippery floors we highly recommend to use an anti-slip underlay minimize risk of injuries. An anti-slip underlay can be bought separately at Lillagunga.
