Commando

Rugged Speaker & Power Bank

Owner's Manual

MODEL: SP-SKBT83

INTRODUCTION ---

Thank you for your purchase of the SHARKK Commando Speaker & Power Bank. Please take a moment to read this manual carefully before you begin using your new device.

From the sharp lines of its rugged exterior to the cutting-edge features of the sound-system within, this highly optimized, multi-purpose speaker was designed to excel in any role or setting, with up-to 24 hours playing-time on a single charge and featuring multiple, environ-

INTRODUCTION

ment-specific EQ settings for ideal indoor and outdoor sound. In addition to its 10W output, Bluetooth 4.0 wireless tech and crystal clear tones, the speaker can also function as a backup battery and power bank, with lighted LEDs displaying the remaining charge level, making it a true all-in-one mobile device companion!

INTRODUCTION

In addition to the Commando Speaker & Power Bank, the SHARKK Lifestyle Brand is pleased to be able to offer a wide range of consumer accessories across many different product categories. Keyboards, wallets, speakers and mobile power-banks are but a few of the items that make up our extensive online catalog and we welcome you to visit us and browse our hand-picked selection of the latest consumer accessories at sharkk.com.

INTRODUCTION

Here at SHARKK, the quality of our products and the satisfaction of our customers are the two greatest passions of our enterprise, as we endeavor to bring you top quality items at competitive prices.

Press to decrease system or in-call volume.
- ④ **Play/Pause**
Press to Play or Pause media playback.
- ⑤ **Volume Up**
Press to increase system or in-call volume.

GETTING STARTED ---

⑥ **Phone**

- Press to answer incoming call.
- Press a second time to end call
- Press twice in quick succession to reject incoming call.
- Press to change EQ setting.

⑦ **Next**

Press to navigate to next track.

Charging

1. To charge your device, firmly connect the supplied adapter to the USB input port on your speaker. Charging begins automatically regardless of whether the device is powered on/off.
2. To ensure maximum battery lifespan, be sure to fully charge the speaker before using it for the first time.

INSTRUCTIONS ---

Bluetooth

1. The speaker will automatically enter pairing mode when switched on. *(To manually enter pairing mode, hold down the "Play/Pause" button)*
2. To connect your speaker to a Bluetooth enabled device, hold your phone or other device within 3 feet of your speaker.
3. Make sure the Bluetooth is enabled on the device you wish to pair with the speaker.

INSTRUCTIONS

4. When scanning for available devices, the speaker should appear as “SHARKK Commando” on the list of found devices
5. When selecting “SHARKK Commando” from the list, you may be prompted to enter a PIN code (*sometimes called a “Passkey”, “PIN Number” or “Password”*), the code for this device is “0000”.
6. The speaker will record this device as the last device paired.

INSTRUCTIONS ---

7. Finally, activate the Bluetooth connection from your phone or other device (*some devices may do this automatically*).
8. The LED indicator will turn blue once a connection is successfully established.

Note: *If pairing fails, please turn off the speaker and try again.*

INSTRUCTIONS

NFC

1. Turn on the NFC function of the device you wish to connect to your speaker.
2. Touch the device to the NFC area of your speaker, and the speaker will connect automatically.

INSTRUCTIONS

AUX

- You can use an AUX input cord to connect your mobile device to the speaker without requiring a Bluetooth or NFC connection.
- To activate this connection, simply insert the AUX cord in the AUX input port and a voice prompt will notify you that the speaker has entered AUX mode.

Features

1. Advanced Bluetooth Version 4.0 for increased transmission rates and higher audio fidelity with decreased power consumption.
2. IP65 Rating.
3. Supports: NFC, AUX and incoming Calls.
4. 6600mAh Power Bank battery capacity.
5. Double 5W loudspeakers produce high quality stereo sound.

APPENDIX

APPENDIX

Proper Use

1. To prevent damage and risk of electrical shock, do not expose this device to dust, vibration, rain, water or liquids of any kind while multipurpose port cover is open.
2. Do not place device in close proximity to open flames or extreme heat sources.
3. Always place your device on level, flat and stable surfaces.

4. Avoid placing items on top of the device.
5. Do not use excessive force when pressing buttons or handling your device.
6. To clean your device, use only a dry, soft cloth or minimally damp cloth without any corrosive solvent or cleaning agent.

APPENDIX

Proper Use

To prevent fires, shock or injury, please do not disassemble or replace any parts of this device. In the event that your device may be damaged or in need of repair, please contact a professional maintenance or qualified service center for assistance. We are not responsible for any personal injury or property damage caused by improper use of this product.

Support

As with all SHARKK products, the Speaker & Power Bank comes with our quality assurance and satisfaction guarantee. If you should experience any technical or performance issues with your device, or if you simply have a question or inquiry, we invite you to contact our customer service department by email at support@sharkk.com, and we will do everything in our power to resolve the issue.

APPENDIX ---

Warranty

Your new SHARCK Commando Speaker & Power Bank is covered by a Limited Manufacturer's Warranty. Details of the warranty are as follows: for a period of one (1) year from the date of retail purchase, SHARCK warrants that this product is free of any defects in manufacturing, materials and workmanship. During the warranty period, we shall, at our sole discretion, repair or replace any defective parts within a reasonable period of time and free of charge.

FCC Compliant

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
