

Newborn Rental Agreement for Baby Bottoms Boutique

1. Rental period will not exceed 30 or 90 days (depending on the package selected) starting with the day you receive the package at our store. You are responsible for the full rental cost even if you choose to return the diapers early. You will need to contact a Baby Bottoms Boutique representative one week prior to the rental end date to schedule a drop off of the diapers. A late fee of \$5 per day will be added for late returns. If diapers are not returned within thirty days of the return date you will be charged the full retail amount of the diapers.
2. The diapers may have been used by another baby during a previous rental. Before the diapers are rented to another baby, they will be professionally sanitized and hand inspected by us. We would not send you diapers that we would not put on our own children.
3. Only non-smoking households (including outdoor smokers) are eligible for this program. By signing this agreement you are asserting that no member of your household smokes. Sorry for any inconvenience, but there are no exceptions. If your diapers return smelling of smoke (or odor-masking substances such as Febreze) they will be considered damaged and you will be responsible for the full retail value of those items.
4. **It is imperative that you wash and care for the diapers as specifically outlined.** If you don't, the diaper's fabric and/or function will be compromised. Do not use common household laundry detergents, traditional stain sticks, fabric softeners, bleach and/or anything with fragrances. Baby Bottoms Boutique approved cloth diaper safe detergents are Rockin Green Soap, bumGenius, EcoSprout, EcoNuts, Country Save, Allen's and Thirsties Wash. If there is another type of detergent you wish to use, please contact us for prior approval. The best remedy for stain removal is the sun. Simply put your clean, damp diapers out to dry with the stain facing the sun for at least one hour. Buncha Farmers stain sticks also work well and are approved.
5. We ask that you do not use the diapers until the baby has passed the meconium (first couple days after birth).
6. You will always use the laundry tabs provided on diapers with Velcro.
7. You will only use cloth diaper safe rash creams, ointments or sprays such as Earth Mama Angel Baby, Eco Bottom, Booty Love or Balm! Baby). Please get prior approval for any other brand before use. If your son will be

circumcised, Balm! Baby also promotes healing and provides a non-stick barrier. If you choose to use another type of ointment or cream you must use a liner or barrier- this can be a cloth wipe or baby washcloth. If you choose a fleece liner or washcloth please hand wash them in a recommended detergent or with original blue Dawn dish soap separately from your diapers.

8. You will not hold Baby Bottoms Boutique liable for any consequence that may occur in the use of these diapers.
9. The diapers must be returned to us clean, dry and in good condition. Good condition means that diapers have been washed & worn and will show signs of such, but will be fully functional. Minimal stains due to normal use will be acceptable but we request that you take steps to minimize this by sunning the diapers regularly. Stains or marks of any other kind including those from non-approved rash creams, however, will not be acceptable. Diapers must also be free of pet or human hair and odors. If they are returned in any unacceptable condition, they will be washed and/or cared for by us to bring them back to an acceptable condition. If we must launder or care for them in any way, a \$20 washing/processing fee will be deducted from your refund or store credit. This policy is completely at our discretion and non-negotiable, so please be sure to look your items over carefully before returning them. If the diapers are received in such a condition that they are considered damaged (even if it was accidental), the full retail value of that item will be billed to you. You will also be held responsible for lost diapers.
10. By signing this agreement you are acknowledging that you have received care instructions for the diapers and agree to abide by all of the instructions provided for care and maintenance of the diapers.
11. If for any reason you need to cancel your rental, you can do so for a full refund as long as it is requested more than 14 days (2 weeks) prior to the rental requested start date. **Cancellation within 14 days (2 weeks) of the rental start date will be subject to a \$45 administrative fee.**
12. It is our hope that you will enjoy cloth diapering your newborn and take special care of the diapers for the next baby that wears them. If you do, you will receive a store credit good towards your next Baby Bottoms Boutique purchase in the amount of \$40 for three month rentals and \$10 for one month rentals.
