

# SIBERIA NIGHT GUARD

---

### HIGH BEAM

Night Guard covers the need for driving lights. The unbeatable high beam combines length and width in an optimized combination.

### WARNING LIGHT

The powerful LED's along the top delivers an highly effective warning light function.

### COVER ALL NEEDS

Night Guard comes in five sizes. 12", 20", 22", 32" and 38". Perfect for trucks and excavators, small and large transport vehicles. Mount several of the smaller 12" size on your truck or mount the larger 38" on the truck's roof.

### DUAL POSITION LIGHT

Let the characteristic Siberia position light suit your personal style. Choose between amber or white light.

### E-APPROVED

All models are E-approved as warning light and driving light.

[Click here for more information.](#)
