USER MANUAL

PACKAGE CONTENTS

WARRANTY

World Traveler Jet Setter by LOGiX is under a 1 year limited warranty. If you are experiencing any issues, please contact: customerservice@logix.net

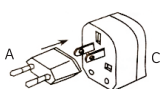

PLEASE NOTE

While the World Traveler Jet Setter is intended for use outside of Canada, it is a pass-through outlet only and DOES NOT CONVERT AC VOLTAGE between 110 and 220 VAC.

- Do not expose to moisture.
- Do not use with devices that require power over 125V/6A or 250V/3A. Like fridges, heaters, etc.
- Do not alter the unit in any way.
- Remove unit from power outlet when not in use.
- For indoor use only.

HOW TO USE

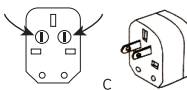

For use in Europe, ensure A is plugged into C securely:

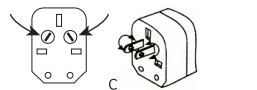

For use in the UK:

For use in the US & North America, ensure prongs are vertical & parallel :

For use in Australia, ensure prongs are rotated:
