Warranty

Workspace48 promises the original purchaser that it will repair or replace with the comparable product, at its option and free of charge (for material and components) any product, part or component which fails under normal use over the duration of specified warranty term (taken from the date of purchase).

Normal commercial usage is defined as the equivalent of a single shift, 40-hour work week.

A Customer who requests services under this warranty must comply with directions from Workspace48 staff if the warranty claim is to be investigated, and if Workspace48 is to provide repairs and/or spare parts and/or replacement solutions (where applicable). The Customer will usually be required to provide a detailed description of the warranty service they are requesting, accompanied by any relevant photos or videos.

If the Customer does not comply with the directions aforementioned, Workspace48 is not required to provide services in accordance with this warranty. Without the description and images, Workspace48 can neither investigate the claim nor provide an appropriate solution.

Goods purchased from Workspace48 are covered by guarantees that cannot be excluded under Canadian Consumer Law. The Customer is entitled to a replacement or refund in a case of major fault.

Minor variations in dimensions, color, grain, or finish in Goods received by a Customer, when compared with images or descriptions on the Website, are not covered by this Warranty. The Warranty does not cover damage that affects only packaging.
