Purgo is a powerfully effective and yet safe replacement for bleach, quat, peroxide, formaldehyde, and copper sulfate. Purgo has the power of the strongest cleaning chemicals, but without any of the dangerous, toxic hazards.

This is why the Purgo ProV professional series of products have been the choice of animal care professionals for over 18 years to control odor and disease in the hog and poultry industry and in animal hospitals, rescue centers, and kennels. Purgo ProV products are food GRAS safe and leave all surfaces clean, odor free, and hygienic.

Purgo ProV products include:

- Pet Shampoo
- Kennel Cleaner & Deodorizer
- Drain Cleaner Hair Formula
- No Rinse Pet Sanitizer
- Antimicrobial Laundry Boost
- Hand Sanitizer (spray and wipes)
- Antimicrobial Wipes
- Antimicrobial Surface Cleaners

Purgo has been tested and certified effective against a wide spectrum of bacteria, pathogens, and viruses, including:
