

Product Name: Network Signage Player or Stand Alone Player

Features:

- Connect this player to your LED or TV and Play HD Videos, Music, Photos & Manage them.
- Dual Core ARM Based SOC, all solid-state design, no moving parts, no fans.
- Collect without limits – There's no limit to the size of your media collection; just add more USB drives for more space.
- HDMI & AV output – The HDMI port lets you connect to the highest quality HDTV or home theater.
- Additional AV output ensure compatibility with virtually all television sets.
- Ultra-compact design – Fits on any wall or backside of TV.
- Controlling software is very easy – Just Copy & Paste files stored on a device using your laptop or Desktop PC through Wifi or LAN.
