

UltraLux® 70w HD Executive Torchiera

Elegant Room Filling Light!

Introducing our UltraLux® 70watt Torchiera Floor Lamp
The Beautiful Way to Light Your Room.

UltraLux® HD full spectrum torchieres offer a safe, energy efficient alternative to conventional halogen torchieres. These standing floor lamps use a full spectrum tri-phosphor fluorescent bulb, and are available in 3 colors to suite your interior design needs. This lamp is dimmable with a range of 1,000 to 4,290 lumens. The balanced lamp design configuration offers uniform light distribution at any setting. When an UltraLux® 70w torchiera is on high, the fixture will deliver light as bright as most 300 watt halogen lights.

- Full spectrum tri-phosphor fluorescent bulb delivers 91+ CRI.
- Dimmable from 4,290 lumens, down to 1,000 lumens.
- Safer and more efficient than halogen. Our bulbs operate at 130° f vs halogen at 1000° f
- Twice as bright as other lamps on the market with no harmful UV.
- Flicker free electronic ballast system.
- CFL bulbs use 1/6th the electricity of a halogen bulb.
- Grey Model: UCFT70-GR-V3
- White Model: UCFT70-WH-V3
- Black Model: UCFT70-BL-V3
- Comes with a full 2 year warranty on the lamp and one year on the bulb. No extra charges!
