

ATR 528 ADDITIONAL INFORMATION

- California POST certified eBike patrol course at our So-Cal training facility.
- This Police eBike unit was developed and designed for over 18 months, including very specific components for the ATR 528 police eBikes, including tactical attributes not found with any Police eBikes anywhere.
- Available in 4 sizes
 - 5'0" - 5'3" = Small
 - 5'4" - 5'6" = Medium
 - 5'6" - 5'10" = Large
 - 5'10" - 6'6" = Extra Large.
- ALL sizes in stock in our Los Angeles facility, no waiting period.
- Nationwide eBike patrol training available

HERE'S A LIST OF ITEMS THAT ARE NOT FOUND ON ANY OTHER POLICE EBIKE IN THE NATION:

- ✓ 1500 W peak motor w/ 1000 watt base (28 mph max/federal legal)
- ✓ Dual high performance batteries (Samsung cells) with built-in balancer in the motor with one battery indicator to simplify officer usage.
- ✓ Thru-axles for maximal secure connection (used by pro MTB downhillers)
- ✓ 500 pound capacity gusseted frame, custom design, and engineered from years of competitive cycling and 27 years of law-enforcement bike patrol classes.
- ✓ (AR-15, 40 mm or shotgun mount available as an upgraded accessory);
- ✓ Heavy duty towing capacity rated over 500 lbs
- ✓ Extended 400 mm seat-post to help prevent over-extending.
- ✓ Heavy duty, rear rack and kickstand.
- ✓ Quad-piston hydraulic brakes to handle moderators with extra equipment and gear.
- ✓ Oversize front and rear rims with heavy duty spokes and 4" patrol tires for maximum traction control.
- ✓ Water bottle cage frame mount (not on any other police ebikes)
