PF2 - MOUNTAIN / HYBRID - REAR MUDGUARD DESIGN LAYOUT DOCUMENT

Custom branded guards, your logo, your colour, your guard!

Help us to get your custom branded guard design right first time, by indicating desired positions for logos, text and any supporting graphics on the blank template below.

Please note that the dotted lines indicate the fold marks.

Please ensure your logo and any required content is emailed to us ASAP to speed up the order process. Speak to Daniel about preferred file formats for logos etc.
