Attn: Liz Belt

125 East Front Street

Traverse City, Mi 49684

**Job Description**

**ROLE AND RESPONSIBILITIES**

Sales Floor Manager will be expected to utilize sales knowledge to manage all sales within the store. Maintain a good understanding of customer service strategies and the ability to train and communicate with new and inexperienced Sales Associates. Applicants need to be able to meet the following requirements:

- Manage all sales floor interactions with customers
- Monitor customer service and communication between Sales Associates and Customers
- Maintain a positive and energetic attitude at all times
- Communicate as part of a team and influence day to day operations
- Have Sales knowledge and experience
- Maintain an expert status on product knowledge sold within the store
- Assist with merchandising

**Qualifications and Education Requirements**

Applicants must hold a High School Diploma or higher, must have 3 to 5 years experience in retail sales/management, to include merchandising, have basic computer/IOS knowledge, and exude a high level of enthusiasm and positive energy at all times.

**PREFERRED SKILLS**

The key characteristics that we are looking for are that candidates have the ability to work with a team to accomplish the company mission while maintaining a positive and constructive attitude at all times. Experience in this field is a must, but attitude and character are a team trait that M22 strives for within every employee.
