

Non-Stick Flaky Pie Crust Pan

DELICATE, FLAKY PIE CRUST
EVERY TIME!

The specially designed perforations (1,028) in the Flaky Pie Crust Pan allow moisture to escape and heat to reach the bottom of the pastry to ensure flaky pie crust - EVERY TIME! No more pre-baking crust before adding pie filling.

NO MORE SOGGY PIE CRUST BOTTOM!

Dishwasher Safe.

Dimensions:
10" x 1 3/16"

Perfect for deep
dish pizzas.

The non-stick coating on the pie pan ensures pies will never stick to the pan.
