

Deep Fryer Filter

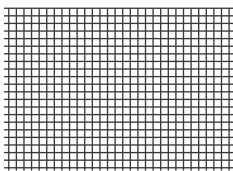

KEEP YOUR DEEP FRYING OIL CLEAN AND USE IT 3X LONGER

No more batter, crumbs or other residue burning in your oil.

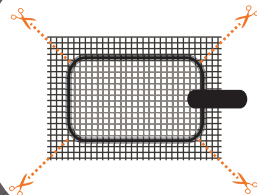

REUSABLE 1.000 TIMES

1

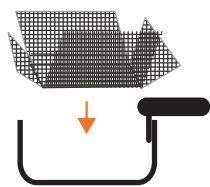

Clean before first use.

2

Cut the filter to size.

3

Place the filter in your deep fryer basket.

Use the Cooks Innovations Deep Fryer Filter in your fryer basket for a healthier way to prepare your battered food (like chicken or vegetables) or French fries, tater tots, spring rolls, shrimp etc.

No more unhealthy, burnt residue at the bottom of your deep fryer. Your frying oil stays cleaner longer – so no need to change it as often. For rectangular deep fryer baskets.

Over 7 million deep fryers sold in the US annually.
