

Pepper Corer

REMOVE CORE AND SEEDS
IN SECONDS!

Removing the core and seeds from bell peppers can be difficult, messy and wasteful. Save time and hassle by using the Pepper Corer! The blade with unique v-shaped, stainless steel teeth helps to extract all the contents at once.

GREAT FOR PREPARING STUFFED PEPPERS OR
PEPPERS FOR STIR FRIES!

Size:
1 5/8" Diameter.

Dishwasher Safe.

Easy to use.

Removes tomato tops.

Just insert and twist the Pepper Corer and the serrated blade will separate the core and seeds from the peppers.

Also great for removing tomato tops!
