

Holy Spirit says:

*“Now begins the merger of Christ’s spiritual Kingdom in the earth realm with the Kingdom of heaven in the spirit realm in ways and in levels never seen before. The merger will accelerate a New Era Pentecost. Power and Kingdom authority will be seen on the earth as has never been seen before. Glory presence will fill prepared territories, regions, and it will fill this nation with surge after surge of the King's manifest presence.*

*The enemies of our Kingdom will become disoriented and fight each other, resulting in freedoms decreed by the King’s Ekklesia and assisted by My angel armies. For I will surely release My mighty angels to labor with you.*

*Yes, a merger now begins of the King's spiritual Kingdom of the earth realm with the Kingdom of heaven and its mighty angels. My Ekklesia will run with the angels. Glory surges will now begin to roll through the nation. They will roll through my Ekklesia hubs in the earth realm and you will see the increased strikes of Holy Spirit and His angels.*

*Yes, suddenlies are coming to enemies of My Kingdom. You will now see the rollout of a series of suddenlies planned to overpower demonic thrones. Suddenlies, suddenlies, and sudden suddenlies.*

*Align yourself with My authority from heaven, My angels, My principalities, My powers, My dominions that are activating with you in the earth realm. My princes (angel princes) have arrayed for battle. My dominions have*

*arrayed for battle. My mighty ones have arrayed for battle. They have received their positional assignments in the earth realm.*

*For it is time for the strike of My Kingdom armies. I will set My messengers on fire with My message. I will cleanse the lips of My prophets. I will cleanse the lips of My apostles, teachers, pastors, and evangelists and I will cause the fire on My Ekklesia altars to blaze. My seraphs will minister with My heirs from those altars.*

*Blazing, purging fires of holy cleansing will rise and cleanse the iniquity as My strong ones co-labor with My remnant warriors. For the Lord of hosts decrees, let the breakthrough events begin. Let the plans of awakening unlock. Let the harvest plans be implemented. Let doors of victory open.*

*Ekklesia, receive new keys for new times. Decree the keys with commanding voices. Decree gateways of promise open. The merger is rapidly accelerating. The networks are now merging together. The streams are merging together. The movements are merging together. The outpourings are merging together. The callings are merging together.*

*For the heirs of My glorious Ekklesia will move into a new season of outpourings, under the canopy of the massive outpouring of heaven that I will lead in the earth realm. The outpourings are not seasonal, says the Lord. They are in a season of outpourings that will continue merging in a building of power, productivity, and functioning authority.*

*A wave of momentum will begin its push through the King's Kingdom, energizing new identity to reach a harvest to fullness, a harvest now due. Massive change will be seen and the King of Kings will be glorified, energizing a new identity in the heirs, energizing healings, miracles, and energizing a supernatural reset in the earth realm with My heirs, with My Ekklesia, and in the nation.*

*Yes, My people are receiving a new identity. Some of My leaders are receiving a new identity. Others are receiving increased authority in My Kingdom. Churches are receiving new mantles. It is time for the reset and it is time for the advance of My Kingdom into the plans ordained for your times, says the Lord.”*
