

The Lord said,

*“I will now deal with the oppressors of My people. I will move swiftly and with jealous aggression with My first responders. For I have heard their cries and I will break the hold of the taskmaster’s rule over them, though they bow their necks in stubborn resistance. I will lead them with nose rings to their place of destruction. Like oxen to the slaughter, I will pull them to stalls of disgrace. The commanding influence of the oppressor’s curse will break from the hearts of My people. The disheartening crack of the taskmaster’s whip will no longer be heard by My sons and daughters. They will not carry the burden of their oppressors. They will not toil for their enemy’s gain. They will not work as slaves of cultural brutality. They will not glean empty fields because they worship Me. No, they will own the fields where once they gleaned.*

*The breaking sound heard by My triumphant remnant will be the cracking sound of their oppressor’s authority shattering off of their lives. The words of their pharaoh will be as chaff in the winds as My angels scatter their defiance. Michael and his chariots of fire have received their orders. Gabriel has communicated strategies through angel armies. Breakthrough angels are now activated. Pharaoh will not have the final word. I will have the final word.*

*Ekklesias, contend in faith as I harden the heart of your enemies. I will harden the hearts of your enemies for devastating defeat.*

*Set your heart on what I say. Set your minds with now faith, expecting to live in a promised place. Move forward toward to new times and seasons that I have prepared for you. Move forward into reformation that I have planned for you. Move forward into positions of authority that I have ordained for My people.*

*Move forward, pioneers, through dark wilderness and blaze the way into the future. Open trails to new levels of glory and respond with Me. For know, says the Lord, the next three months (June, July, and August) will lead to a great shaking and a reset of the nation back to its covenant roots.*

*The next three months (June, July, and August) will be months of great reformation and it will begin to rapidly surge. Know the next three months, the seeds of faith planted by My people, with their decrees, will accelerate to fullness producing the fruit of the seed that is sown and My people will enter new times. The faith decrees they've sown will accelerate to fullness and My people will enter new times.*

*Embrace and move forward into the reset I have planned that will now unfold through September and beyond. Decree your faith and activate My Kingdom's power. Decree your faith and activate angel armies and they will assist you in the supernatural reset.*

*For the Lord says I am releasing mighty ones to break up entrenched evil. They will strike the forever loser's protections of diabolical root systems in America's capital. Michael, my war prince, will release in sufficient numbers, war angels to assist My Ekklesia to unlock this nation.*

*They will break barrier walls protecting Baal's systems. Coverups will be uncovered. Giants, taunting in opposition, will fall. Strongholds of darkness will be battered and influence will shatter. My angels are merging with My people to break the forces of evil in Washington DC and in all goat capitals.*

*My unshakeable Kingdom will rise in waves of power and strategies will bring forth realignment to covenant roots in this nation.*

*Hear the sound, says the Lord, of battering rams of My Kingdom resounding against the wicked strategies of Baal's systems in the seven mountains of your culture. The abominations will not stand."*
