

February 8, 2023:

“Behold and understand the mysterious wisdom of the Godhead, destroying the works of the forever loser. See their vision for a new era unfolding. The earth realm has seen the entrance and the actions of King Jesus for two millennia. This has occurred in levels and in ways never seen before or even anticipated. The King’s personhood, His ministry, redemption, and salvation grace has been presented in the earth realm. His Kingship has been declared above all powers. Holy Spirit, the Comforter, Enabler, and Communicator, has been presented in the earth realm, filling the heirs with the presence and with the power of heaven.

Now see, says the Lord, new expressions, new discoveries, new dimensions, greater revelation and amplified levels of the Father’s heart to those who are made in His image and His likeness.

Now see His fathering anointing released into the earth in glorious measures. Now see the greatness of Father’s heart as it hovers over and says to a fatherless generation, I want you! I will

be your Father. You will not be a fatherless generation. You will not be confused. You will not be lost. You will know My love is set upon you. You will not be orphans. You will not be aimless. I will mentor you, says the Lord. My family will welcome you, care for you, and embrace you. You will not be lost. I will take you in.

There are rooms in My house for you. There's a seat at My table for you.

My fathering nature, My fathering heart, will heal you. My hovering presence will realign and define you. I will transform you. My heart of love for you will bring clarity to your purpose. You will not be without identity. You will be a son. You will be a daughter. You will be an heir, My heir. I will Father you. My family will train you. I will love you to your destiny. I will clear the lies, the confusion, and I will bring your true identity.

New levels and new expressions of My heart will now be presented. It will be pointed in many ways to the younger

generation. My fathering anointing will be poured into the earth realm and will break the yoke of abandonment.

Abandonment will be broken. This will cause the hearts of the fathers to turn to the children. Their brokenness will be healed. Millions will be free and know the great love I am demonstrating upon them.

For the era of transforming shifts now begin. Father will reveal His greatness and His great love for the children. The oppression of evil will be broken from the land. The confusion of identity will be shattered in fierce protective care of Papa God. Healing will come to the hearts of those who have known the attack of evil to destroy them. I will 'life' their purpose. I will restore them. I will restore their souls. I will put on their fingers a new ring, a ring of authority. Shoes on their feet. My family clothes will adorn them and the prodigals will come home. Prodigal sons and daughters will come home and I will anoint them to reign with Me."
