BlockBusters

Third Hour

Made using Studio 180 Design's Corner Pop® III
and Tucker Trimmer® I tools.

BlockBusters 2019: #43
Difficulty: ★★★★★

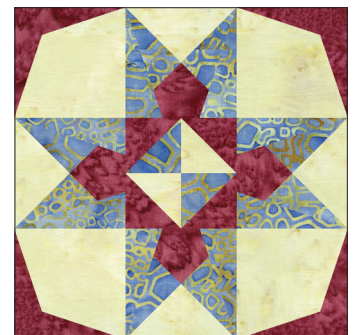

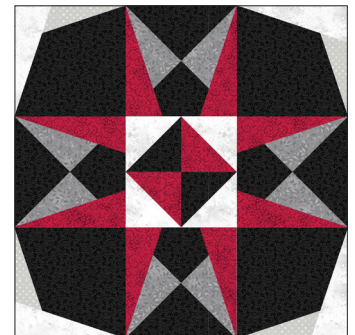

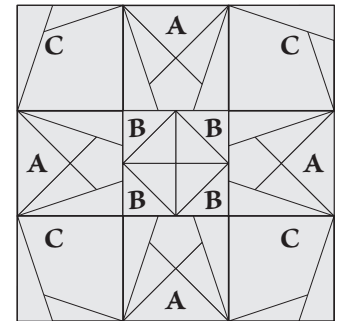

To make the hourglass and half square triangle units required for this block, you'll use the instructions that came with your Tucker Trimmer® I tool. Use the instructions that came with your Corner Pop® III to make the Pops on the base shapes in this block. Use the chart to find the information you need for the finished size of the unit you want to make. Then work your way through the instructions.

For the Popped hourglass units, follow the instructions in the Tucker Trimmer® I to make the units and then trim to your desired cut size. Once the unit has been trimmed, use your Corner Pop® III to make the Pops on opposite sides. One side will be cut and trimmed as a Type 1 Pop and the other side will be done as a Type 2 Pop.

To make the corner squares, you will overlap the two Pops. One will be a Type 1 Pop and the other will be a Type 2 Pop. Make the Type 1 Pop first and then make the Type 2 Pop. That will give you the circular effect of wrapping the corners.

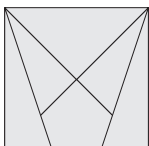

Cutting Chart

| Unit | # of units required | 6" Block | 9" Block | 12" Block |
|--------------------------|---------------------|---|---|---|
| A: Popped Hourglass | 4 | 2" finished size (2½" cut size) 2" finished Pop/ cut away size | 3" finished size (3½" cut size) 3" finished Pop/ cut away size | 4" finished size (4½" cut size) 4" finished Pop/ cut away size |
| B: Half Square Triangles | 4 | 1" finished size (1½" cut size) | 1½" finished size (2" cut size) | 2" finished size (2½" cut size) |
| C: Popped Corner Squares | 4 | 2½" cut size 2" finished Pop/ cut away size | 3½" cut size 3" finished Pop/ cut away size | 4½" cut size 4" finished Pop/ cut away size |
