BlockBusters

Illusion

Made using Studio 180 Design's Tucker Trimmer® I
Square Squared® Tools, and Eight at Once and
Shaded Four Patch Technique Sheets

BlockBusters 2022 #71
Difficulty: ★★☆☆☆

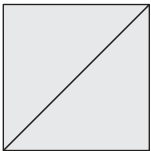

All the information you need to make the units in this block can be found in the instructions that came with your Tucker Trimmer® I and Square Squared® tools and on the Eight At Once and Shaded Four Patch technique sheets. There are charts, step by step graphics, and directions. Use the chart to find the information you need for the finished size of the units you want to make, and follow it through to find what you need to cut to make those units. Then work your way through the instructions. That's all there is to it!

There are several places in this block where you will have many seams coming together. As you construct your units you might want to consider pressing some seams open where you can to help reduce bulk at those intersections.

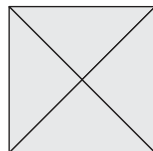

This is a great block to play with color placement, because depending on where you place your fabrics you can create a completely different looking block. So have fun with color and placement to create your unique block.

Unit Summary

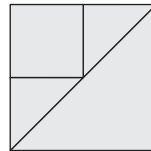

Unit A

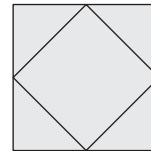

Unit B

Unit C

Unit D

Cutting Chart

Unit	# of units required	6" Block	12" Block	18" Block
A: Half Square Triangles	16	1" finished size 1½" trim size	2" finished size 2½" trim size	3" finished size 3½" trim size
