# BlockBusters Celebration

Made using Studio 180 Design's Corner Beam®  
and Square Squared® Tools & Stacked Squares  
and Sliver Technique Sheets

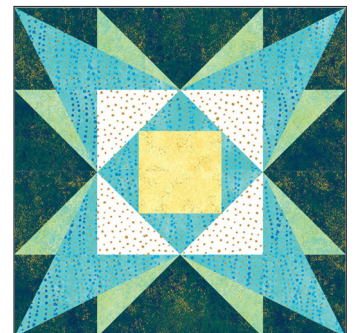

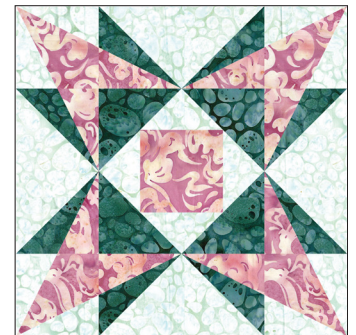

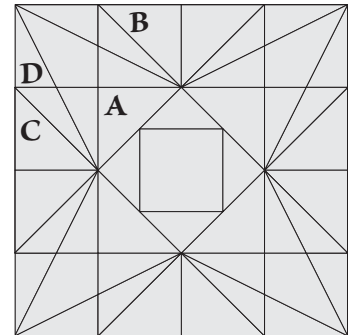

BlockBusters 2022 #76  
Difficulty: ★★★★★

All the instructions you need to make the units required for this block came with your **Corner Beam®** and **Square Squared®** tools and on the Stacked Squares and Sliver Technique Sheets. There are charts, step by step graphics, and directions. Use the charts to find the information you need for the finished size of the units you want to make, follow them through to find what you need to cut to make the units. Then work your way through the instructions.

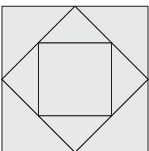

This block requires you to make 4 Sliver units that slant right and 4 Sliver units that slant left, so be sure to pay attention to the corner that you are trimming off in step 2 of the technique sheet. When constructing the Sliver units, consider pressing the seams open. It will help to reduce the bulk when you sew the units into the block.

You might also want to press the seams on the Stacked Squares unit open as well, so that when you sew the Sliver units to the Stacked Squares and are matching up the intersections, you can reduce the bulk there.

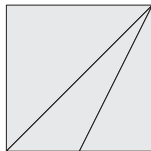

## Unit Summary

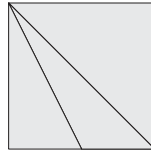

Unit A

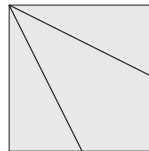

Unit B

Unit C

Unit D

## Cutting Chart

Unit	# of units required	8" Block	12" Block	16" Block
A: Stacked Squares	1	4" finished size 4½" trim size	6" finished size 6½" trim size	8" finished size 8½" trim size
B: Sliver, Slanted Left	4	2" finished size 2½" trim size	3" finished size 3½" trim size	4" finished size 4½" trim size
C: Sliver, Slanted Right	4	2" finished size 2½" trim size	3" finished size 3½" trim size	4" finished size 4½" trim size
D: Corner Beams	4	2" finished size 2½" trim size	3" finished size 3½" trim size	4" finished size 4½" trim size
