BlockBusters

Double Trek

Made using Studio 180 Design's Corner Beam®
& Sliver Technique Sheet

BlockBusters 2016: #12
Difficulty: ★★★★★

All the information you need to make the units you'll be using in this block can be found in the instructions that came with your [Corner Beam®](#) tool and on the [Sliver Technique Sheet](#). There are charts, step by step graphics, and directions. Use the table above to find the finished size of the unit you want to make. Then work your way through the instructions and technique sheet to create your units.

Color placement is a big part of this block; you will need to pay attention to where you want each color to end up in this block as you construct your units. Double check to make sure you use the correct colors for your half square triangles and your Sliver side triangles. Also be sure to pay attention to the corner that you are trimming off in step 2 of the Sliver technique sheet.

Cutting Chart

Unit	# of units required	6" Block	9" Block	12" Block
A: Corner Beam	2	2" finished unit 2½" cut size	3" finished unit 3½" cut size	4" finished unit 4½" cut size
B: Sliver, Slanted Right	2	2" finished unit 2½" cut size	3" finished unit 3½" cut size	4" finished unit 4½" cut size
C: Sliver, Slanted Left	2	2" finished unit 2½" cut size	3" finished unit 3½" cut size	4" finished unit 4½" cut size
D: Square	3	2½" square cut size	3½" square cut size	4½" square cut size
