Made using Studio 180 Design’s Corner Beam ${ }^{\circledR}$ and Tucker Trimmer ${ }^{\circledR}$ I Tools

BlockBusters 2023 \#81

All the instructions you need to make the units required for this block came with your Corner Beam ${ }^{\bullet}$ and Tucker Trimmer ${ }^{\circledR}$ I tools. There are charts, step-bystep graphics, and directions. Use the chart to find the information you need for the finished size of the units you want to make, and follow it through to find what you need to cut to make those units. Then work your way through the instructions.

To speed up the process of making the Half Square Triangles, you can use the Eight At Once technique sheet if you have it. You need 16 total Half Square Triangles, so if you are making them all the same color, this is a great time to pull out and use this technique sheet. For the Corner Beam units, consider pressing the seams open. It will help reduce the bulk in the seam when attaching the half square triangles.

Unit Summary
Unit A
Unit B

Unit C

Unit D

## Cutting Chart

| Unit | \# of units required | 7 " Block | 14" Block | 21" Block |
| :---: | :---: | :---: | :---: | :---: |
| A: Corner Beam | 4 | 2" finished size <br> $21 / 2^{\prime \prime}$ cut size | 4" finished size $41 / 2^{\prime \prime}$ cut size | 6" finished size $61 / 2^{\prime \prime}$ cut size |
| B: Half Square Triangle | 16 | 1 " finished size $11 / 2^{\prime \prime}$ cut size | 2" finished size $21 / 2^{\prime \prime}$ cut size | 3 " finished size $31 / 2^{\prime \prime}$ cut size |
| C: Square | 5 | $11 / 2$ " square cut size | $21 / 2$ " square cut size | $3^{1 / 2}$ " square cut size |
| D: Rectangle | 4 | $11 / 2 " \times 31 / 2 "$ <br> rectangle cut size | $2 \frac{1}{2} " \times 66^{1 / 2} 2^{\prime \prime}$ <br> rectangle cut size | $31 / 2 " \times 91 / 2 "$ <br> rectangle cut size |
