BlockBusters

Three in One

Made using Studio 180 Design's V Block® & Tucker Trimmer® 1

BlockBusters 2016: #9
Difficulty: ★★★★★

All the instruction you need to make the units required for this block came with your Tucker Trimmer® 1 and V-Block® tools. There's a chart, step by step graphics, and directions. Use the chart to find the information you need for the finished size of the unit you want to make, follow it through to find what you need to cut to make those units. Then work your way through these instructions.

There are lots of possibilities happening in this edition of Blockbusters. The block is made up of V-Block, Combination and Quarter Square triangle units. Great thing is you don't just get one block you get three! All of the units in these three blocks are the same (and placed in the same location), yet just by rotating the units and changing your fabric placement, you'll get three very different blocks. When you choose which block to make (or maybe you will make all three) you will want to pay close attention to fabric placement and pressing of your seams. My suggestion to you when pressing this block is to press your seams away from the V-block units. This will give you nice crisp points on your block. If that doesn't work for you consider pressing the seams open, it will help to reduce some of the bulk at your intersections and points.

Cutting Chart

Unit	# of units required	3" Block	6" Block	12" Block
A: V-Block	4	1" finished size 1½" cut size	2" finished size 2½" cut size	4" finished unit 4½" cut size
B: Combination unit	4	1" finished size 1½" cut size	2" finished size 2½" cut size	4" finished unit 4½" cut size
C: Quarter Square Triangle units	1	1" finished size 1½" cut size	2" finished size 2½" cut size	4" finished unit 4½" cut size
