Made using Studio 180 Design's Split Rects® and
Corner Beam® tools and Split Rects Bonus
Units Technique Sheet

BlockBusters 2022 #69
Difficulty: ★★★★★

All the information you need to make the units in this block can be found in the instructions that came with your **Corner Beam**® tool and on the Split Rects Bonus Units technique sheet. Along with the technique sheet, you will need the **Split Rects**® tool to make the Split Rects combination units. There are charts, step-by-step graphics, and directions. Use the charts to find the information you need for the finished size of the units you want to make, and follow it through to find what you need to cut to make those units. Then work your way through the instructions.

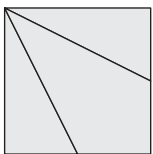

With your Corner Beam units, the side triangles can either be the same color or different. If choosing different colors, I would match the side triangle color to the Triangle B color of the Split Rects Bonus Units. I also recommend pressing all of your seams open with the number of seam intersections that will be coming together throughout the block.

In this block, you will make 4 mirror image pairs of Split Rects Bonus units, making 4 units that slant from the lower right to upper left, Type #1, and 4 units that slant from the lower left to upper right, Type #2. Since you need to make mirror images, you will want to pay attention to the position of your strips when cutting Triangles B and C. There is a video on YouTube for this technique, so if you need help with the cutting or construction, watch the video. Double check the slant of the pieces when you are laying out your units. It's easy to get them sewn with the slant going in the wrong direction.

The size that you cut the small squares is listed in the chart.

Unit Summary

Unit A

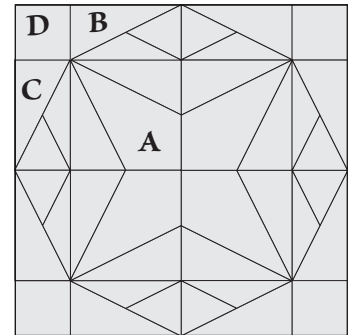

Unit B

Unit C

Unit D

Cutting Chart

| Unit | # of units required | 6" Block | 9" Block | 12" Block |
|--|---------------------|--|--|--|
| A: Corner Beam | 4 | 2" finished size 2½" trim size | 3" finished size 3½" trim size | 4" finished size 4½" trim size |
| B: Split Rects Bonus Units Type #1 (Lower right to upper left) | 4 | 1"x 2" finished size 1½"x 2½" trim size | 1½"x 3" finished size 2"x 3½" trim size | 2"x 4" finished size 2½"x 4½" trim size |
| C: Split Rects Bonus Units Type #2 (Lower left to upper right) | 4 | 1"x 2" finished size 1½"x 2½" trim size | 1½"x 3" finished size 2"x 3½" trim size | 2"x 4" finished size 2½"x 4½" trim size |
| D: Small Squares | 4 | 1½" cut size | 2" cut size | 2½" cut size |
