Can you ever really have too many tools? Certainly not, but we do know it can get confusing to remember which tools make which unit. To that end, we've created this handy-dandy unit guide! It shows every single unit you can create using the current Studio 180 Design line of tools and techniques, broken down by tool used, if it's a basic unit, or made with using the information on one of our Technique Sheets.

**Tucker Trimmer®**
- Half Square Triangle Unit
  - Basic Unit
- Combination Unit
  - Basic Unit
- Quarter Square Triangle Unit
  - Basic Unit
