

WRIST SIZER

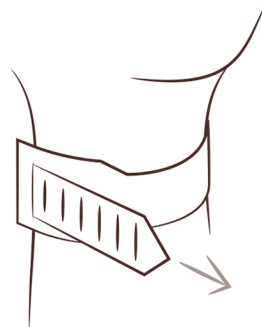

To ensure your new bracelet is a perfect fit when it arrives, be sure to use our wrist sizer. Make sure you first enter your printer settings and change the "page scaling" option to "none". Then print this page on a sheet of 8 1/2" X 11" paper.

HOW TO USE:

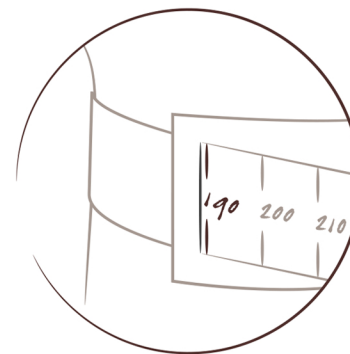

1

Cut out the wrist sizer.

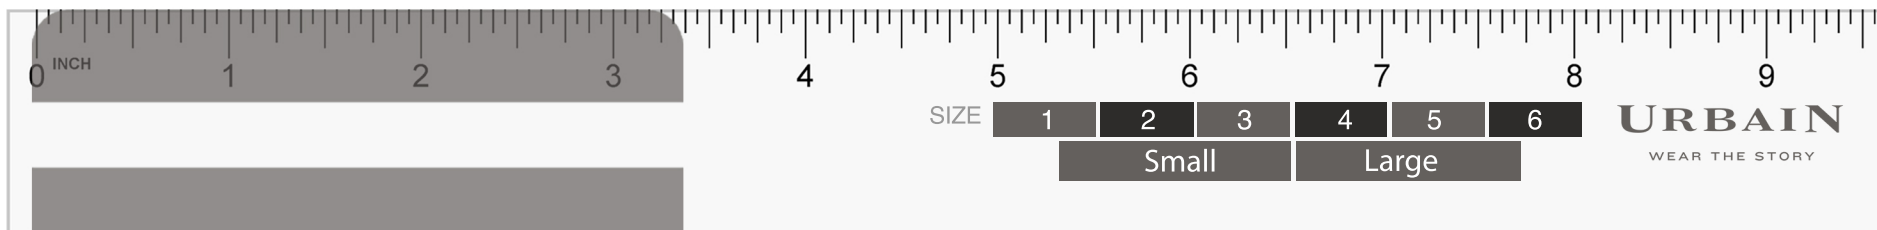

2

Place the wrist sizer around your wrist. Make sure to pull tight for the most accurate measurement.

3

Based on the measurement of your wrist, select size 1 - 6.

Place credit card here to ensure printer sizing is accurate.

Please note that the Urbain sizer is an indicative guide only and therefore may not be an exact measure.
