

## Kuumba Made Fragrance Oil Descriptions.

African Gardenia – A feminine, complex floral fragrance. Slightly sweet, pure gardenia scent with deep, soft notes of violet, rose, balsam and powdery nuances; carries lightly on a breeze.

African Musk – A beautifully memorable scent: Light and airy, clean and fresh with an herbal brightness that awakens the mind and soothes the soul.

Amber & Myrrh – An ancient, mystical blend of two sacred resins with earthy, warm, sweet and spicy notes. Apply lightly and transport your mind to exotic far away places.

Amber & Sandalwood – Woody, rich, spicy and earthy with a hint of citrus. A deeply sensual and inviting Oriental-type fragrance that celebrates the gift of the trees

Amber Paste – A warm, earthy, deeply sensual resin with a hint of sweetness and spice. Enhances meditation, relaxation and balance. Its enticing nature makes it perfect for men and women.

Arabian Musk – Sprightly citrus meets powdery musk. Top notes of bergamot and sunny, southern Italian orange balance out the smooth, mellow musky base. Ethereal, sweet and clean. Very light and subtle.

When the temperature is warm, a scent carries farther than when it's cold. Many people like wearing a lighter fragrance in the summer and a heavier one in the winter

Arabian Rose – Traditional rose; strong and sweet. Wrap yourself in the rich, velvety warmth of the Queen of Flowers. A deeply relaxing and sensuous fragrance beloved for centuries.

Arabian Sandalwood – Woody, mellow and smooth with just a touch of sweet coconut and vanilla. Highly charismatic and irresistible on your sun-warmed skin.

Ascension – Sparkling hints of Italian orange and bergamot marry with watery nuances and refreshing, crisp green notes. Let your spirit soar.

Black Copium – An exotic, sweet, spicy, deep and complex blend. Pure Oriental luxuriance, reminiscent of ancient spice trade royalty.

Black Coconut – A rich coconut fragrance balanced with notes of creamy sweetness. Perfect for hot summer days and sultry nights. Sparks a sense of euphoria.

China Musk – Inspirational as a Zen garden. Clean, watery nuances and bright green notes harmonize with the powdery soft florals of rose and lily of the valley. White musk base adds an ethereal, earthy attraction that is irresistible.

Creamy Coconut – This fragrant blend is like a sweet summer dance on the beach, flowers adorning your hair. A deliciously exotic aphrodisiac.

Enchantment – A graceful and sensual floral bouquet with gardenia and subtle musk undertones. Captivating and unforgettable.

Egyptian Musk – Very light, clean and mellow. This captivating scent stirs up emotions of desire. Our top selling fragrance.

When the temperature is warm, a scent carries farther than when it's cold. Many people like wearing a lighter fragrance in the summer and a heavier one in the winter. Cloudiness may occur but the fragrance is still wonderful.

Frankincense & Myrrh – Spicy, deep and delicately sweet with woody undertones. These revered aromatic resins share an ancient history traveling the camel caravans and sailing the Nile River. Separation is natural, shake as needed.

Gardenia Musk – A flourish of rich, seductive vanilla with the elegance of a subtle musk, transforming the African Gardenia flower into a night-blooming seductress

Honeysuckle Rose – A sweet burst of summer blossoms, engagingly feminine. Honeysuckle and rose intertwine to form an unforgettable scent, attracting butterflies and bees alike.

Lavender Lace – Classic lavender enhanced with delectable vanilla. Beloved scents merge together in dove-like innocence and pure sensuality to create lasting impressions and fond memories; clean and fresh with a touch of sweetness.

Lily of the Valley – A fresh floral-green fragrance, very feminine. Folklore tells us that the rapturous scent of this flower draws the nightingale to his mate. Inspires love.

Myrrh & Sandalwood – A mellow blend steeped in ancient tradition. The deep, earthy dryness of myrrh resin becomes one with spicy, lemony sandalwood. A touch of Patchouli and tonka bean round out the base.

Ocean Dreams – A beckoning blend of worldly treasures from faraway places: Vanilla orchid, sweet amber and soft sandalwood. More than memorable - bewitching.

Opium & Jasmine – A beautiful double-flowering jasmine with hints of orange flower, and tuberose make way for lush notes of patchouli and woody earthiness. Sweet, strong & spicy.

Oriental Musk – An enchanting scent; clean, spicy and sweet. As refreshing as a light, tropical mist drifting onto a palace balcony.

Persian Garden – Grounded, smooth, very light and clean with a hint of mystery. A garden of earthly delights. Popular for men and women.

Pikake Lei – This Hawaiian jasmine emits an enticing, fresh and sweet, heavenly scent. Catch a summery tropical breeze all day long by applying lightly to skin or hair.

Sedona Journey – A sacred scent inspired by sacred sites. A Red Rock reverie of frankincense, myrrh, and sandalwood. Ancient and meditative, woody and resinous.

Sweet Rain – A complex, clearing blend, subtly smoky. Inspired by woodland forests, damp with rain. Sweet amber, vanilla, rose, and citrus add an enticing sweetness, grounded by cedar and sultry sandalwood.

Tea Rose – The jubilant, classic perfume of voluptuous English roses. Deeply sensual and romantic, with a bright note of green freshness reminiscent of a morning stroll through a cottage garden.

Tunisian Amber – A beautiful blend of resins gives depth to a sweet, warm and spicy experience. Awakening and enticing to the scents. Sultry and smokey as a far off, exotic tea house.

Tunisian Frankincense – Baskets of frankincense resin glisten like fragrant little gems - woody, spicy, tangy; an ancient fragrance of highest regard. With lovely citrus top notes of orange, lime and lemon; cypress, vanilla and clove round out the blend.

Tunisian Jasmine – A well-rounded floral; Sweet and feminine. Calming and balancing as a fragrant cup of jasmine tea sipped on the veranda.

Tunisian Musk – Citrus top notes, with subtle spiciness of black pepper, clove and cinnamon. Earthy myrrh, musk, and vanilla provide a sensual, mellow base.

Tunisian Myrrh – A deeply contemplative, woody scent of earth, root and resin. Revered and valued for thousands of years, these wind-sculpted trees stand fast on stark, arid plains, evoking centuries-old sacredness and ritual.

Tunisian Opium – Spicy, complex and full-bodied. White florals emboldened by patchouli and deeply woody notes. Lure them with this mysterious and adventurous scent.

Tunisian Patchouli – A unique, rich, slightly sweet and well balanced patchouli. Warms the heart, grounds the senses.

Tunisian Sandalwood – Beautiful citrus top notes of bergamot and lemon accentuate the beauty of this sandalwood blend. Spicy florals of clove bud and rose add interest. A broad base of patchouli, musk, and Tonka bean harmonize with the sandalwood.

Vanilla Bean – The resinous beans of the vanilla orchid are exotic yet familiar; alluring yet calming. Oh sweet, delectable Vanilla Bean!

Vanilla Musk – A smooth, well rounded vanilla with notes of musk, almond and baby powder. Comfortable, versatile, sensual- just like a breezy little cotton sundress.

Water Goddess – A complex blend of clean, smooth water notes drifting into the sweetness of sandalwood with musk undertones. Inspires sensuality and quiet confidence.

Cloudiness may occur but the fragrance is still wonderful.

Water Lily – A light, bright scent- green and fresh. Close your eyes and imagine sunshine dancing on the surface of a lily pond in full, glorious bloom.

White Ginger – The slightly sweet, spicy scent of white ginger flowers awakens the senses. This delicate fragrance sings of warm, fresh, flower-filled Polynesian gardens.

Wildflower – A subtly sweet floral blend. A light, clean bouquet of Hawaiian jasmine, seductive rose. A feminine, floral mystery that will leave a trail of admirers as you pass gracefully by.

Wind Dancer – Hints of fruit, spice and white flowers unfold from this sweet powdery complex composition with musk undertones. Share this lovely, soft trail of scent as you dance through life

Zen Rain – A clean lightly floral scent with a subtle heart note of spice. This scent brings to life an evocative world of tiny violets and orchids hidden amongst the mosses and ferns of a Zen garden after a summer rain.
