

# IMPORTANT BOTTLE STOPPER NOTE:

Jägermeister is introducing a new bottle design over the next few months.

Your new Jägermeister Tap Machine comes with 2 versions of the bottle stopper adapters; 1 for the old bottle design, 1 for the new bottle design. Please retain both bottle stopper sets to ensure you are using the correct adapter for whichever bottle you are inserting into the tap machine. The orange bottle stoppers will **ONLY** fit the old bottles. **The new black and green bottle stoppers should be used on all new bottles.**
