Pro•Dual Leg Extension & Leg Curl

DLEC-SF

Pro•Dual Leg Extension & Leg Curl

An elliptical cam keeps the user's arc of movement smooth and provides consistent resistance through a full range of motion. The recumbent DuraFirm™ back pad adjusts to fit any size user and eliminates lower back strain. The Pro•Dual Leg Extension & Leg Curl machine also features pop-pin adjustable footpads to assure proper alignment, while the adjustable thigh pads provide stabilization during exercise. The Body-Solid Pro•Dual Leg Extension & Leg Curl machine builds form into function and value into a superior modular strength training system.
