

Welcome to the **2020 Weaving in the Sunshine State** basket weaving retreat informational brochure! I'm so glad that you are considering joining us for the 4th annual weaving retreat. I am positive that if you attend that you'll have a great time and learn some new skills, while also making some new friends along the way.

A few important items to point out for the 2020 weaving retreat ...

Everything you need to know can be found within this brochure, including, lodging arrangements, class options, the retreat schedule, the merchandise order form, AND *the registration form*. If you have a question, the answer can most likely be found within these pages. If it's not, please feel free to contact me at beckybechtel@gmail.com.

- You may begin registering for classes at any time after receiving the brochure. EVERY registration postmarked by August 15, 2019 will be considered a "1st Day Registration".
- "1st Day Registrations" (those postmarked by 8/15/2019) are given "*preferential*" treatment in the assignment of classes. But that does *NOT* guarantee that just because you are in that group that you will receive your first-choice class for every day – *or any day*. For example, assignments are impacted by the popularity of a class – your first choice may also be the first choice of 50 others. But I do believe that you will be pleased with your assignments and will be quite happy with the project you complete.
- On Tuesday evening this year, we are going to switch it up a bit by a fun night of socializing and playing Bingo. Details can be found on page 12 of this brochure. Pre-registration is required and the cost for both (the social reception and the Bingo event) is \$25 (in addition to your retreat registration fee). A hot buffet of various appetizers will be offered. Weather permitting, the social reception will be outside on the patio but Bingo will be moved indoors to take advantage of better lighting and sound control.

Thanks so much for taking the time to view the brochure and please plan to join us! You'll be glad you did! *Becky*

CLASS SELECTIONS:

When choosing your basket classes, please note the skill level, tools required, and time allowed to make sure you are able to meet all requirements. Please remember that it is not fair to the instructor or the other students to take a class that is beyond your skill level of expertise and that you are not ready to handle. Some classes may have special tools required. Also note the dimensions of the project as some may be larger or smaller than they appear in the featured photo. Some classes may offer more than one project within the same class. Others may offer color options. Please make sure you have made all your choices, or one may be assigned for you.

Skill Levels:

Beginner – The beginner weaver has little to no experience and has woven only a few baskets. They need practice with basic weaving techniques, bases, and shaping. These weavers are acquiring skills to become proficient in over/under weaving, start/stop weaving, twining, and rim lashing as well as learning to control shape.

Beginner/Intermediate – Having gained basic weaving skills, this skill level introduces new pattern weaves such as twill and different rim and lashing finish variations. Larger baskets and patterns with specific weaving instruction are included at this level.

Intermediate – Intermediate weavers have gained proficiency in weaving techniques. They are able to begin with ease and little instruction and have mastered basic weaving techniques. They do not need direction for setting up bases, twining, completing over/under weaves, or creating rims using the specific materials mentioned in the class description.

Advanced – Advanced weavers are proficient. They have mastered most weaving techniques and are ready to be challenged. Teachers are confident these students will not need assistance with basic weaving skills. Advanced weavers often design their own baskets and are quite experienced in most techniques.

CLASS ASSIGNMENT POLICY:

Classes will be assigned randomly with a weighted preference to those received by August 15, 2019. However, ***NO ONE*** is guaranteed their first choices of classes, but every attempt will be made to insure you are happy with your assignments. Do not sign up for classes that you are unwilling to take. You will be notified ***by email*** on approximately October 1, 2019 of your class assignments.

PAYMENT FOR CLASSES:

Payment for your assigned classes must be received by **October 31, 2019**. Checks are to be made payable to each respective teacher and dated February 4, 2020. **Each check should have your name, plus the teacher and class name noted on the comment line.** The class fee checks should be mailed to:

**Becky Bechtel
Bright Expectations Baskets LLC
17807 E. Shadow Lake Road
Mt. Vernon, IL 62864**

Failure to receive payment for your assigned classes by the October 31st deadline may result in cancellation from the weaving retreat and forfeiture of your registration fee.

Canadian Registrants ... You must submit checks made payable to the teacher for your assigned classes. If you desire, attach a note to the checks indicating that you will bring cash to the class to substitute for the funds.

MARKETPLACE:

A Marketplace will be held in the weaving room on Wednesday evening from approximately 5:30 until 6:30 pm. Teachers and registered attendees (who have reserved paid table space with their registrations) will have patterns, supplies, kits, and basketry related items available. Retreat Merchandise

We are excited to offer the following retreat merchandise. Back by popular demand, our denim aprons are again available. The design is custom made by machine embroidery and is extremely durable even after washing many times.

Full, 3-Pocket Apron: Easy Care 65/35 poly/cotton denim twill with three divisional pockets. Neck strap is two-piece with adjustable slider. The apron size is 24" length (excluding neck drop down) x 28" width. Ties are extra-long 36" each and finished stitched. One size fits all. The full, 3 pocket aprons will have the logo indicated positioned center chest area. This is a nice and heavier weight denim that will hold up very, very well. Price: \$38.

Half, 3-Pocket Apron: Durable 65/35 poly/cotton denim twill for long lasting color with three divisional pockets. The apron size is 11" length x 23" width. Ties are extra-long 36" each and finished stitched. Logo will be as indicated and stitched on the center pocket. Price: \$28.

Weaving in the Sunshine State – FLORIDA – My Happy Place:

I wish you could hold this mug to feel the smoothness of the epoxy and see the true colors! This 5-star rated custom made 22 oz. mug will keep your coffee hot and your tea cold. The slim design will accommodate most any cup holder when you travel. You'll see the glitter scattered on the sandy beaches and wispy clouds in the blue sky. The design on each mug is handmade and each will be slightly different. A slide-open top will easily hold a stainless-steel straw and when closed will keep your drink from sloshing out. A great gift for even those who didn't have the opportunity to attend the retreat but just enjoy weaving in Florida! Price: \$30.

These fobs can be used as key chains, tool kit tags, or to accessorize your weaving apron. They also make great gifts for your weaving friends or as guild giveaways. Colors as shown only. Each will have BOTH a ring and a lobster snap closure for your convenience in choosing which works best for you to use. All key fobs are on high quality, supple vinyl and machine stitched. Price: \$10.

We all have that crazy friend. Colors are as shown in heather gray with deep rose-colored trim. The lighter weight, soft and comfy jersey shirt features a side-seam construction, raw serge hem and double needle stitched hemmed sleeves. Available in Small to XXL.
