

REGISTRATION:

Registration is still open. To register you must complete the REGISTRATION FORM which can be found at the following:

- The final two pages of this document.
- “[Florida Basket Weavers](#)” Facebook group page.
- Website www.WeavingInTheSunshineState.com.

Each registration **postmarked** by August 31, 2023, is considered a “1st Day Registration”.

- “1st Day Registrations” are given preferential treatment in the assignment of classes.
- This does **NOT** guarantee that you will receive your first choice class for every day — or any day. For example, assignments are impacted by the popularity of a class — your first choice may also be the first choice of 50 others.

SUBMITTING YOUR REGISTRATION FORM:

- Registration Forms **MUST BE MAILED**. The Registration Form is the **ONLY** acceptable application and must be sent via USPS, FedEx, or UPS. *Emails, texts, and any other means of submitting class choices are not accepted.*
- Indicate a **MINIMUM OF 3 CHOICES**, in order of preference, for each class period. If you do not indicate at least 3 choices and the classes you have indicated are full, you may not be assigned classes for that day. Making only one choice will not guarantee you space in that class. Do not select classes that you are not willing to take.
- Do not include Class Fees at this time. Class fees will be payable after you are notified of your assigned classes (which will be **emailed** to you quickly upon receipt of your Registration Form).
- The Registration Fee must be included. A guild membership is NOT a pre-requirement.
- Return the Registration Form along with registration fee to:

Becky Bechtel
 (Checks Made Payable To: Bright Expectations Baskets LLC)
 2067 Glenarden Path
 The Villages, FL 32163-2830

Registration Fees are as follows:
One Day Registration: \$69 (Any SINGLE Day)
Two OR Three Day Registration: \$160

The lunch buffet is included in your Registration Fee for the days in which you have classes.

IMPORTANT DATES TO REMEMBER:

- Classes – January 30 (Tuesday) to February 1, 2023 (Thursday)
- Registration – Registrations received by 8/31/2023 are considered “1st Day Registrations”
- Assignment of Classes (approximate) – October 1, 2023
- Deadline for Payment for Classes – October 31, 2023

CLASS SELECTIONS:

- Note the skill level, tools required, and class times to make sure you can meet the requirements.
- Note the dimensions of the project. Some may be larger or smaller than they appear in the featured photo.
- Some classes offer color options. Mark your choices on the Registration Form.
- There is a difference between expanding your skill set and choosing classes beyond your skill level (levels noted below). It is unfair to the instructor and other students to take a class that is beyond your level of expertise. Everyone wants you to be successful in completing your class project while not dominating the instructor’s time for one-on-one explanations of techniques it is assumed you already have knowledge of. Expertise in one weaving medium does not necessarily translate to the same level in other materials.

Skill Levels:

All Levels – For the beginner weaver who has little to no experience and may need practice with techniques or shaping, all the way to advanced students.

Beginner/Intermediate – Having gained basic weaving skills, this skill level introduces new pattern weaves such as twill and different rim and lashing variations. Larger baskets and patterns with specific weaving instruction are included at this level.

Intermediate – Intermediate weavers have gained proficiency in weaving techniques. They can begin with ease, require little instruction, and have mastered basic weaving techniques. They do not need direction for setting up bases, twining, completing over/under weaves, or creating rims using the specific materials mentioned in the class description.

Intermediate/Advanced – These weavers are quite skilled in most techniques and may only require assistance with difficult or unique designs and shaping. Most weaving in class can be done independently and without specific instruction.

Advanced – Advanced weavers are highly proficient and experienced. They have mastered most weaving techniques and are ready to be challenged. Teachers are confident these students will not need assistance with basic weaving skills.

CLASS ASSIGNMENT POLICY:

~~Classes are assigned randomly with weighted preference to those postmarked by August 31, 2023. However, **NO ONE** is guaranteed their first-choice classes. Every attempt is made to ensure you are happy with your assignments. Do not sign up for classes that you are unwilling to take. You will be notified of your class assignments **by email** upon receipt of your Registration Form.~~

PAYMENT FOR CLASSES:

Payment for assigned classes must be received by ~~October 31, 2023~~ **October 31, 2023** ASAP. Checks are to be made payable to each respective teacher.

Failure to receive payment for your assigned classes by the October 31st deadline may result in cancellation from the weaving retreat and forfeiture of your registration fee.

Canadian Registrants ... You must submit checks made payable to the teacher for your assigned classes. If you desire, attach a note to the checks indicating that you will bring cash to the class to substitute for the check.

TUESDAY EVENING SOCIAL AND OPEN WEAVE (6:30 pm until 8:30 pm):

It's going to be a relaxing evening after your first day of weaving. Come join us in the ballroom (after Teacher's Marketplace) to gather with your friends, kick back, and catch up on some of your UFP's (Un-Finished Projects). Bring a kit from home, a newly purchased one, or your class project that didn't quite get finished. We'll have some teachers and other experienced weavers on hand to help you out with those techniques that you're struggling with.

And what better way to relax than with your beverage of choice? An open (cash) bar will be available to pour your favorite libation – sodas, beer, wine, rail drinks ... and margaritas! And since we know you're going to be hungry ... we'll be having PIZZA delivered to satisfy that craving.

No need to pre-register / pre-order / pre-pay for this event. We'll take care of that at the Registration Desk. A small, nominal fee will be charged to cover the cost of the pizza delivery.

WEDNESDAY EVENING BOXED MEAL:

For those who are taking classes on Wednesday evening, we will again be offering a boxed meal (sandwich/chips/fruit/cookie OR chicken Caesar salad/cookie) to pick up after the day classes end. The boxed meal can be ordered at the event and paid for at that time. Cash only, and \$16 per person.

VENDORS:

Jimmie Earl and Mary McKinzie will have a large vending booth again this year. They will have an assortment of reed, sea grass, and tools for sale in addition to their basket kits. If you are needing particular supplies, please email them in advance at mje2weave@gmail.com. In addition, there will be a few pop-up vendors yet to be announced.

SHIPPING SERVICE:

Options are close by if you need a shipping service for completed projects (FedEx Office Print & Ship Center and UPS Store).

REFUND AND CANCELLATION POLICIES:

If you must cancel from a specific class or from the entire retreat, your request must be made in writing (email to beckybechtel@gmail.com) and received **BEFORE** 1/1/2024. A cancellation fee of \$30 will be applied to your refund.

NO REFUNDS OF REGISTRATION FEES OR TEACHER'S CLASS FEES WILL BE MADE AFTER JANUARY 1, 2024. After January 1, 2024, you are entitled to your kit(s) from your assigned classes. Someone may pick them up for you or ask for them to be shipped (shipping costs at your expense). Do NOT ask for exceptions to be made for your special circumstances ... i.e. unexpected vacation or trip, travel expenses too high, or unexpected medical conditions. Unfortunately, there have been instances where a late cancellation was not honest about their situation. To be fair to everyone, the policy stands as stated without exception.

HEALTH & SAFETY:

At the time of publishing this brochure, state and CDC regulations do not mandate any special precautions or measures relating to personal health and safety. It is always YOUR choice to decide what, if any, measures are best for your own health and safety.

Please note that by attending this event, you take FULL RESPONSIBILITY for your own health, welfare, and safety.

American Cancer Society

Monkey Business – Charity Fund Raiser

Thando (meaning “love” in his native South African IsiZulu) has become an affectionate mascot for the Weaving in the Sunshine State basket weaving retreat. His esteemed tenure has evolved into an amazing work of charity for the American Cancer Society.

Thando made his first appearance in 2018 when he was donated to our Silent Auction along with an undisclosed cash envelope. He has returned each year to our event and his accoutrements have grown substantially – including a wife, Nobuhle (mother of beauty and goodness), who travels with him now.

In 2022, we organized a charitable event of fund raising for the American Cancer Society. And boy, oh boy, did we raise funds! An exact contribution of \$1,500 was donated!! What an accomplishment!

How did we do it, you ask? Many, many attendees donated a small weaving (or multiples!) and raffle tickets were sold. The winner took home with her ALL of the miniatures – so many they wouldn’t fit in the travel suitcase!

Some modifications were made in 2023. – We divided the donated baskets into five groups allowing more to share in the winnings. We had a lofty goal to beat of \$1,500 and beat it we did! Raffle sales totaled \$2,090 and with the unprecedented matching donation, we were able to send the American Cancer Society a total of \$4,180!!

We need YOU to help us in 2024 by bringing a small basket or other type of weaving. You can either bring your contribution with you to the weaving retreat – or if you are unable to attend but would donate your time and efforts, you can ship your weaving to me. As a group of like-minded crafters, we can choose to make a difference in fighting cancer. Please help us make this a success!

Will you help by weaving a small basket?

Frequently Asked Questions:

1. I only weave a certain type of baskets (Nantucket, pine needle, etc.) and do not want any other type of classes. How do I meet the requirement of “must select a minimum of 3 per class period”? We ALL have a preference for of the type of basket we wish to have a class for. Consider that you may enjoy learning a new type of weaving or that skills learned in one might also be useful in your preferred method. You are welcome to make a note on the Registration Form of your *preference*, but only **making one choice per class period will greatly impact the possibility that you do not receive ANY class assignment for that time frame. Period.**
2. How do I sign up for multiple classes on the same day (half day classes)? Example ... If your 1st choice class for Tuesday is a half day class and you desire a full day of classes assigned, mark your Registration Form with a #1 morning class and a #1 afternoon class. Your #2 option may either be a #2 morning class and a #2 afternoon class OR a #2 full day 8-hour class. Repeat for your #3 choice(s). You only want a half day of classes? Simply indicate it on the Registration Form.
3. What are “Standard Weaving Tools”? Refer to “What to Bring” on page 5 of the brochure. A great video to watch for new weavers that also shows the tools and their uses can be found at [Beverly Ashton Vickers - YouTube](#).
4. What does my “Class Fee” include? Your class fee includes all materials required to make the project indicated including a written pattern. In some cases, more than one completed project is included. Many teachers will have extra class kits available to purchase. Contact the teacher for availability and associated costs.
5. How can I help at the retreat? In so many ways!
 - Donate an item to the Silent Auction. Funds raised at Silent Auctions help offset the ever-increasing expenses incurred with hosting the weaving retreat. Sponsoring an event in the height of “season” in a warm tropical environment comes at a premium price. And honey ... it isn’t cheap!
 - SHOP the Silent Auctions! More shoppers keep the bids a’rising.
 - Donate a pre-packaged treat to share with the group. Weavers have a serious case of the munchies.
 - Check with me late Monday afternoon at the retreat. Goodie bag stuffers will be needed, and a few other tasks will need to be completed. Things can be a bit hectic at the last minutes.
6. Can I rent a vending space? Or have a table at Teachers Marketplace? Chances are, YES, but it may be a small space in the hallway. Please contact me well in advance so that I may schedule your space. A vending fee is required.
7. What is the driving distance to the beaches? South Florida gulf beaches are the best! While many beachside businesses are still in recovery mode from the 2022 hurricane, the sand, sun, and water are perfection. ♥
8. Can I attend this event and still transition to the Basket Weaving Cruise? Absolutely! Many do, as well as some of our teachers. Our event ends at 5 pm on Thursday. Or you can also choose to end your Thursday class at noon or 3 pm. The Port Everglades – Ft. Lauderdale Cruise Port is 133 miles from the event venue – so basically a 2-hour drive.
9. Food Allergies and Diet Restrictions: Your Registration Fee includes a daily lunch buffet that is absolutely delicious! Every attempt is made to offer a wide enough selection that accommodates most diets. Should the menu not meet your requirements, please complete a Food Allergy Form available at the Registration Desk with specifics.

Driving Distance To: Ft. Myers Beach: 10 Mi.
Sanibel Island or Captiva Island: 28 Mi.
Naples: 36 Mi.
Marco Island: 50 Mi.
Port Everglades – Fort Lauderdale Cruise Port: 133 Mi.
