Safety and Attentions

In order to use your mobile phone safely and efficiently, please read your messages before using:

1. Please be careful when you are near chemical plant, gas station, tank farm and other exploders.

Even if your mobile phone is in standby, it will send out RF signal as well. Therefore, please power off your mobile phone.

2. When you are driving, do not use your mobile phone. If you have to use it, please park your car

then make your call.

3. Don't use your mobile phone in the hospital so as not to disturb the operation of medical equipment, such as heart pacemakers, hearing aids, etc. You should obey relevant rules before using.

4. Please power off your mobile phone before the plane taking off so as not to disturb flying. It is dangerous and illegal to use mobile phones on board.

5. Please place your mobile phone and all accessories where it is untouchable for kids.

6. Accessories and battery: please use the dedicated accessory and battery of our company. If not, it will destroy the phone and lead to danger. Please do not shortcut, tear down and adapt the battery. If the phone has excessive temperature, discolor, variant, bulking, weeping and other unusual phenomenon, please stop using and change the battery immediately so as not to affect the safety. Please place the old batteries in specific recycle spots.

7. No charging without the battery. When you take off the battery, please power off the mobile phone so as not to destroy the phone.
8. The phone is not waterproof. Please keep it dry.
9. Avoid using the phone in an excessive and too low temperature.
10. Do not throw, fall and beat the phone so as not to destroy the internals and externals of the phone.
11. Authorized Service: install and maintain the phone by professional people. Please do not tear off the phone on your own.
12. The counting unit of radiation standard is called SAR. In the international norm, the SAR limitation is 2.0 W/Kg. The maximal SAR of this phone is 0.482 W/Kg. It meets the state criterion of GB 21288-2007.
