

USER'S MANUAL

Dear Musician,
Thank you for purchasing the rechargeable MICRONOME Clip-on Metronome, and welcome to the KLIQ!

To register your product warranty, please visit www.kliqmusicgear.com/warranty. To get the most out of your new metronome, please carefully read this manual prior to first use, and keep it for later reference.

PRECAUTIONS

- USE** - Using the metronome in the following locations can result in a malfunction:
 - In direct sunlight
 - Locations of extreme temperature or humidity
 - Excessively dusty or dirty locations
 - Locations of excessive vibration
 - Close to magnetic fields
- HANDLING and CARE** - We recommend the following:
 - To avoid breakage, do not apply excessive force to the buttons, charging port, or display.
 - If the exterior becomes dirty, wipe it with a clean, dry cloth. (Do not use any chemical liquid cleaners or water.)
 - Never set any container with liquid in it near this device. If liquid gets into the equipment, it could cause malfunction, fire or electrical shock. Be careful not to let metal objects get into the equipment.
