* Element will be free from defects or faults in materials and/or workmanship for its intended lifetime – that is, seven (7) years from the date of purchase (the Lifetime Warranty Period). For full terms and conditions please contact Bromic on 1800 301 1293
If functionality is preferred over style, the Cobalt heater offers similar characteristics to the Infratech WD series but at a lower cost with better warranty, tech support, and more flexible wireless control options

Control Options:
SIMPLE, SMART AND WIRELESS

On/Off Wireless Remote & control

Wireless Dimmer Remote & Control

Solid State:
MORE WIRES, MORE COST TO INSTALL

Relay Panel

Input Regulator

Dual Analog Control with Timer

Duplex Switch

Analog Control

Bromic Wireless Control Solutions   VS.   Infratech Hard Wired Solution

|		
Digital Controls: SIMPLE INSTALLATION, LESS WIRES, LESS COST TO INSTALL	>	**Analog controls:** MORE DIFFICULT, MORE COSTLY TO INSTALL
Remote Controls: 100FT RANGE, NO LINE OF SIGHT NEEDED, COMPACT HAND HELD OR WALL MOUNTED	>	Hard wired switch only
Easier to install: COMPACT, CAN BE HIDDEN FROM SIGHT	>	Larger and require more space for installation
Simplified Wiring Installation: LESS CIRCUITS, GREATER CONTROLLABILITY	>	More wiring for installation
