FEATURES

- Multi-Fire XD® Flame Effect**
The patented Dimplex flame technology produces vivid, realistic flames for a traditional fire appearance.
- Less Frame, More Flame**
Clean front face with minimal trim makes the dazzling flames the focal point.
- Edgeless Design**
The edgeless design installs without trim right up to stone, brick, and other solid wall finish materials; includes trim for drywall and tile surfaces.
- Media Accent Colors**
Choose from a variety of brilliant color themes or cycle through a range of colors using the custom mode, freezing on the hue of your choice.
- Optional Media Modes**
Utilize 3 different presets for customized views - prism, kaleidoscope, and midnight mode.
- ComfortSaver®**
Dimplex's exclusive ComfortSaver heater provides on-demand, supplemental heating that warms up to 1,000 sq. ft.
- Heat Boost**
Quickly warms a room by delivering maximum heat output for a pre-determined amount of time.
- Cool-touch Glass**
Glass remains cool making it safe for children and pets.
- Smart Self-Diagnostics**
Integrated self-diagnostics that simplify troubleshooting and improve service.
- Seamless Installation**
Low-profile design fully recesses in 2" x 6" wall construction and 2" x 4" with optional trim. Hardwire using 120V or 240V for powerful heating.
- Hardwire or Plug-in**
Hardwire to 120V/240V power supply or use the optional 120V plug-in cord kit.
- Easy Installation**
No venting, gas lines, or piping required; simply frame, wire and finish for quick and easy installation.

Flame Connect App
Control and customize the fireplace directly from your phone, including endless flame and media color options.
