

HALO SIGNATURE BURNER™ SYSTEM | DUAL ZONE GRIDDLES

MORE CONTROL & BETTER FLAVOR

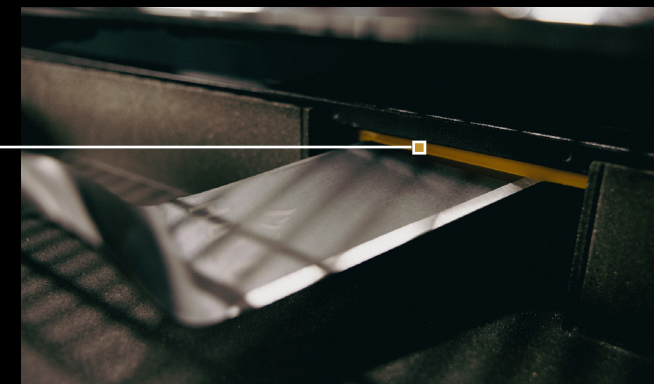

HALO SIGNATURE BURNER™ SYSTEM

Griddle with more control and better flavor - ignite just one zone or both, depending on your cooking needs

WIND PROOF DESIGN

Inset griddle plate design ensures your flame stays lit for wind-proof cooking. Built-in griddle plate removal tool doubles as hooks for hanging utensils on full-size griddles

SQUEEGEE CLEAN-OFF

Built-in utensil clean off squeegee makes clean up a breeze

XL GREASE MANAGEMENT

Extra-large container, at the rear for easy cooking grease removal

SWING AWAY | WARMING RACK

Extra space when you need it and can swing up and away when not in use

LEVEL COOK SURFACE

Use the included bubble level and adjustable casters to ensure your cook surface is level

BURNER SIGHT GLASSES

HALO's innovative burner site glasses allow you to check your burners' flames from the front of the griddle

ELITE4B OUTDOOR GRIDDLE
