Ruby Controls

IntelliFire App – All the features of a remote control with an app installed on your smart device. Monitor your fire from anywhere or even control it with the sound of your voice. IntelliFire is compatible with voice assistants Amazon Alexa and Google Assistant.

Touchscreen Remote – Features: on/off, flame height adjustment, fan speed, lights adjustment, thermostat mode, room temperature readout, child lock, timer mode, battery backup, cold climate mode, power vent, wall docking station (fan, lights and power vent are dependent on your fireplace).

Wireless Wall Switch – Features: on/off, battery strength indicator, cold climate mode

Jasper Control

SmartRemote – An added level of function and convenience in a remote control, with timer mode, thermostat mode, room temperature readout, on/off.

Termination Caps

A termination cap finishes your gas insert with a clean, upscale look. These durable caps also protect venting components and ensure safe exhaust flow.

Round Termination Cap

Square Termination Cap
(available in Black or Copper finish)

Convert a drafty, wood-burning fireplace into an efficient, beautiful focal point by installing a Majestic gas fireplace insert in just three easy steps.

Ruby 35" with Contemporary Arch front and surround in bronze with Tavern Brown interior.

STEP 1: Measure your existing fireplace opening and choose your insert

The height, width and depth of the existing fireplace opening is needed to ensure an appropriately sized insert is selected.

A. Fireplace front width_____

B. Fireplace front height_____

C. Fireplace back width_____

D. Fireplace depth_____

E. Hearth to mantel height_____

## STEP 2: Select your surround and front

A surround fills the gap between the fireplace insert and existing fireplace opening. Choose from three sizes and two finishes for a unique look.

Personalize your insert with a front that fits your style. Select from three styles and two finishes.

Surround   Front

SURROUND SIZE	RUBY35IN	RUBY30IN JASPER30IN	RUBY25IN
Small	42" x 29"	40" x 27"	35" x 23"
Medium	44" x 32"	42" x 30"	37" x 26"
Large	48" x 32"	44" x 32"	39" x 28"

Front and Surround Finishes

Black   Bronze

STEP 3: Select your options to customize your insert

Choose from our collection of interior panels, contemporary conversion kits and interior media to put the finishing touches on your insert.

Cover photo: Ruby 30 with Clean Screen front and surround in black, and reflective black glass interior.

Technologies

Ruby Series
IntelliFire Touch® Ignition System
IntelliFire Touch is our most advanced intermittent-pilot ignition (IP) system, making operating your appliance simple, smart and safe. Select from the IntelliFire app, touchscreen remote or wireless wall switch for the solution that fits your life.

Jasper
IntelliFire Ignition System
IntelliFire features intermittent-pilot ignition (IPI) allowing you to conserve fuel and money when the fireplace is not in use.
Direct Vent Technology
Direct Vent gas inserts remove 100% of combustion exhaust and fumes to the outside of the home. These sealed fireplaces provide optimal heat, conserve energy and ensure clean, safe indoor air quality.

Your Majestic Dealer:

Limited Lifetime Warranty[3]
The strongest in the industry, Majestic provides a limited lifetime warranty on the most important aspects of our gas-burning products: firebox and heat exchanger.

1 Order a conversion kit when using LP. 2 Refer to installation manual for zero clearance install guidelines. 3 For full warranty details go to majesticproducts.com. The information provided in this literature is for planning purposes only and subject to change. Please consult the installation manual for actual installation. Actual product appearance may differ from product images. Fireplace, stove and insert surfaces get extremely HOT and can cause severe burns if touched. Keep a safe distance away.
