About LightwaveRF

LightwaveRF plc ("LightwaveRF" or the "Company") pioneered smart home automation with the introduction of the market's first Internet enabled devices in 2008. Today the Company markets a complete smart home system for lighting, heating, power and security.

LightwaveRF offers a cloud platform and a very extensive range of retrofitted LightwaveRF designed and manufactured sockets, dimmers, relays, thermostats, heating, energy, sensing, monitoring and control devices. These devices are operated by conventional manual control, handheld remote, smartphone and tablet based apps. The LightwaveRF system can also be operated using Google Assistant and Amazon Alexa voice control, is Apple HomeKit compatible and provides users with dashboards to manage their smart home.

We are dedicated to making everyone's lives easier and more fulfilled through world leading smart home technology.
