## LightwaveRF plc

(AIM: LWRF)

### Apple HomeKit Range Now Available Via Apple Online Store

LightwaveRF plc ("LightwaveRF" or the "Company"), the leading smart home solutions provider, announces that its next generation Apple HomeKit certified product range, for controlling smart devices with iOS apps and Siri voice commands, is now available to purchase via the Apple Online Store. The new range is expected to be placed on the display shelves of Apple UK stores next month and orders placed online can be collected in selected stores from now.

**Commenting, Andrew Pearson, CEO said:** "It's fantastic to confirm that our Apple HomeKit certified products are now available via the Apple Online Store. With the Apple Home app users can easily and securely control all Lightwave accessories. This is a major new route to market for us and we are looking forward to extending our relationship with Apple as they expand the HomeKit programme."

#### About LightwaveRF

LightwaveRF plc ("LightwaveRF" or the "Company") pioneered smart home automation with the introduction of the market's first Internet enabled devices in 2008. Today the Company markets a complete smart home system for lighting, heating, power and security.

LightwaveRF offers a cloud platform and an extensive range of retrofitted LightwaveRF designed and manufactured sockets, dimmers, relays, thermostats, heating, energy, sensing, monitoring and control devices. These devices are operated by conventional manual control, handheld remote, smartphone and tablet based apps. The LightwaveRF system can also be operated using Google Assistant and Amazon Alexa voice control, is Apple HomeKit compatible and provides users with dashboards to manage their smart home.

We are dedicated to making everyone's lives easier and more fulfilled through world leading smart home technology.
