A circular, containing details of the Transactions, is expected to be posted to Shareholders on or around 1 March 2019, and will be available on the Company's website, along with a Form of Proxy to vote at a General Meeting expected to be convened for 19 March 2019 and an Application Form for the Open Offer (the "**Circular**"). Capitalised terms in this announcement are defined as set out at the end of this announcement.

In addition, the Company announces that it also proposes to raise, in aggregate, a minimum of £0.6 million, before expenses, by way of a conditional placing of a minimum of 7,097,280 new Ordinary Shares (the "**Conditional Placing Shares**") and a conditional subscription to raise approximately £1.0 million by the issue of 11,594,500 new Ordinary Shares (the "**Conditional Subscription Shares**") at the Issue Price. The issue of both the Conditional Placing Shares and the Conditional Subscription Shares is subject to the passing of the Resolutions at the General Meeting.

The Company also announces that it proposes to raise a further £0.5 million by way of a conditional open offer of 5,964,387 Open Offer Shares at 8.5 pence per share to qualifying shareholders at the Issue Price (the "**Open Offer**"), subject to Shareholder approval. Committed Capital intends to subscribe for its Basic Entitlement under the Open Offer in full and to apply for all of the remaining Open Offer Shares using the Excess Application Facility, being, in aggregate, 5,964,387 Open Offer Shares. To the extent that applications are received in respect of more than 5,964,387 Open Offer Shares in aggregate, excess applications will be scaled back accordingly. Applications for Excess Shares will be allocated in such manner as the Directors may determine, in their absolute discretion.

The Issue Price represents a discount of approximately 5.6 per cent. to the Closing Price of 9.0 pence on 27 February 2019, the last trading day prior to this announcement.

The net proceeds of the Fundraising will be used to continue to scale the business, expand sales and marketing, execute on obligations in Europe and provide working capital.

LightwaveRF has entered into a placing agreement (the "**Placing Agreement**") with Stockdale Securities Limited ("**Stockdale**") which is acting as broker in relation to the Placing. Pursuant to the Placing Agreement, Stockdale has agreed, in accordance with its terms, to use reasonable endeavours to place the Placing Shares with certain new and existing institutional and other investors. The Placing is not underwritten. Further details of the Placing Agreement can be found in the terms and conditions of the Placing contained in the Appendix to this announcement (which forms part of this announcement).

The Firm Placing and Conditional Placing are subject to the terms and conditions set out below. Stockdale will commence a bookbuilding process in respect of the Placing (the "**Bookbuild**"), which will start with immediate effect following the release of this Announcement. The Firm Placing Shares and the Conditional Placing Shares will, when issued, be credited as fully paid and will rank pari passu with the Existing Ordinary Shares including the right to receive all future dividends and distributions declared, made or paid by reference to a record date falling after their issue. The issue of the Conditional Placing Shares is pursuant to the authorities to be granted at the General Meeting which is expected to be held on 19 March 2019.

The Company will apply for the Firm Placing Shares and the Conditional Placing Shares to be admitted to trading on AIM. It is expected that settlement of the Firm Placing Shares will take place and that trading will commence at 8:00 a.m. on 6 March 2019 and that settlement of the Conditional Placing Shares will take place and that trading will commence at 8:00 a.m. on 20 March 2019 (other than the Deferred Settlement Shares).

As part of the Placing, Placing Shares will be issued to certain Placees seeking relief under the Enterprise Investment Scheme and to companies that are approved as Venture Capital Trusts. The Company has received advance assurance from HMRC that HMRC would be able to authorise the Company to issue compliance certificates under section 204(1) of the Income Tax Act 2007 in respect of the Firm Placing

Shares, the Firm Subscription Shares and the New Ordinary Shares. The Company has not received any advance assurance from HMRC as regards whether the Firm Placing Shares, the Firm Subscription Shares and the New Ordinary Shares will be capable of being a “qualifying holding” for the purposes of investment by VCTs. If the Company carries on activities beyond those disclosed to HMRC, then Shareholders may cease to qualify for the tax benefits. Neither the Company, the Directors nor any of the Company’s advisers give any warranty, undertaking or other assurance that any tax reliefs will continue to be available and not withdrawn at a later date. The actual availability of EIS relief and qualifying status for VCT purposes would be contingent upon certain conditions being met by both the Company and the relevant investors.

Shareholders and proposed investors must take their own professional advice in order that they may fully understand how the relief legislation may apply in their individual circumstances and rely on it.

The timing of the closing of the Bookbuild and allocations shall be at the discretion of LightwaveRF and Stockdale. However, the Bookbuild is expected to close no later than 4.30 p.m. on 1 March 2019. Members of the public are not eligible to participate in the Placing.

A further announcement will be made following the close of the Bookbuild.

By choosing to participate in the Firm Placing and Conditional Placing and by making a verbal offer to acquire Ordinary Shares to be issued under the Firm Placing and Conditional Placing, investors will be deemed to have read and understood this announcement (including the Appendix) in its entirety and to be making such offer on the terms and subject to the conditions in this announcement, and to be providing the representations, warranties and acknowledgements contained in the Appendix.

Concert Party

The Concert Party has agreed to subscribe for, in aggregate, 5,846,868 new Ordinary Shares under the Firm Subscription and 10,917,840 new Ordinary Shares under the Conditional Subscription. The Concert party, via Committed Capital Financial Services Limited, intends to subscribe for its Basic Entitlement under the Open Offer in full and to apply for all of the remaining Open Offer Shares using the Excess Application Facility, being, in aggregate, 5,964,387 Open Offer Shares. To the extent that applications are received in respect of more than 5,964,387 Open Offer Shares in aggregate, excess applications will be scaled back accordingly. Applications for Excess Shares will be allocated in such manner as the Directors may determine, in their absolute discretion. Consequently, on completion of the Fundraising, the Concert Party will hold up to 40,747,207 Ordinary Shares, representing approximately 38.10 per cent. of the Enlarged Share Capital.

Immediately following Admission, it is likely that the Concert Party will hold, in aggregate, up to 38.10 per cent. of the Enlarged Share Capital following the Subscription and the Placing and assuming Committed Capital takes up all of its Basic Entitlements under the Open Offer and all of the remaining Open Offer Shares using the Excess Application Facility. In this instance, the Concert Party’s acquisition of new Ordinary Shares would, without a waiver of the obligations under Rule 9 of the Takeover Code, oblige the Concert Party to make a general offer for the Company under Rule 9 of the Takeover Code.

The Concert Party is made up of Committed Capital Financial Services Limited, Committed Capital Limited, Steven Harris, Timothy Steel, Mark Blandford, Judy Welch and Else Thomson.

The Company has applied to the Panel for a waiver of Rule 9 of the Takeover Code in order to permit the Firm Subscription, the Conditional Subscription and the take up in full by Committed Capital of its Basic Entitlements under the Open Offer and all of the remaining Open Offer Shares using the Excess Application Facility without triggering an obligation on the part of any member of the Concert Party (individually or collectively) to make a general offer for the Company.

Application for admission

Application will be made for admission of the Firm Placing Shares and the Firm Subscription Shares to trading on AIM and dealings in the Firm Placing Shares and the Firm Subscription Shares are expected to commence at 8.00 a.m. on 6 March 2019. The Firm Placing Shares and the Firm Subscription Shares, when issued, will rank *pari passu* with the Existing Ordinary Shares.

This announcement contains inside information for the purposes of Article 7 of the Market Abuse Regulation (EU) 596/2014 ("MAR"), encompassing information relating to the Placing, the Subscription and the Open Offer as described above, and is disclosed in accordance with the Company's obligations under Article 17 of MAR.

EXTRACT FROM CIRCULAR

The following is an extract from the Company's circular containing details of the Transactions, which is expected to be posted to Shareholders on 1 March 2019 along with a Form of Proxy to vote at a General Meeting expected to be convened for 19 March 2019 and an Application Form for the Open Offer (the "Circular"). The following information is subject to change. Capitalised terms in this announcement are defined as set out at the end of this announcement.

1. "Introduction

On 28 February 2019, the Company announced that it had raised, in aggregate, approximately £0.9 million before expenses by way of a firm placing of 4,373,322 new Ordinary Shares and a firm subscription of 6,346,678 new Ordinary Shares, both at 8.5 pence per share.

In addition, the Company announced that it had conditionally raised, in aggregate, a minimum of £1.58 million before expenses by way of a conditional placing of a minimum of 7,097,280 new Ordinary Shares and a conditional subscription of 11,594,500 new Ordinary Shares, both at 8.5 pence per share.

The issue of the Conditional Placing Shares and the Conditional Subscription Shares is subject to the passing of the Resolutions at the General Meeting.

The Company also announced that it proposed to raise up to a further £0.5 million by way of an Open Offer to Qualifying Shareholders at 8.5 pence per share, subject to Shareholder approval, details of which are set out in this Document.

Committed Capital subscribed for 5,846,868 Ordinary Shares under the Firm Subscription and has also agreed to subscribe for 10,917,840 Ordinary Shares under the Conditional Subscription. It also intends to take up its Basic Entitlement under the Open Offer in full and to apply for all of the remaining Open Offer Shares using the Excess Application Facility. To the extent that applications are received in respect of more than 5,964,387 Open Offer Shares, in aggregate, excess applications will be scaled back accordingly. Applications for Excess Shares will be allocated in such manner as the Directors may determine in their absolute discretion.

Consequently, on completion of the Fundraising:

- (a) the Concert Party (which includes Committed Capital) will hold, in aggregate, up to 40,747,207 Ordinary Shares, representing approximately 38.10 per cent. of the Enlarged Share Capital (assuming that Committed Capital subscribes for all of the Open Offer Shares). Details of the Concert Party are set out in paragraph 6 of this Part I; and

- (b) CCFSL will hold, in aggregate, up to 34,662,181 Ordinary Shares, representing approximately 32.41 per cent. of the Enlarged Share Capital (assuming that CCFSL subscribes for 10,917,840 of the Conditional Subscription Shares and all of the Open Offer Shares).

Under Rule 9 of the Takeover Code, on completion of the Fundraising, the Concert Party and CCFSL would each normally be obliged to make a general offer to all Shareholders (other than the Concert Party or CCFSL (as the case may be)) to acquire all the Ordinary Shares not owned by the Concert Party or CCFSL (as the case may be). The Panel has agreed to waive these obligations subject to the approval (on a poll) of the Independent Shareholders of Resolution 1 to be proposed at the General Meeting. The Fundraising is therefore also subject to the approval of those resolutions by the Independent Shareholders. Your attention is drawn to paragraph 6 of this Part I which contains further information on the Takeover Code and the waiver of Rule 9 of the Takeover Code.

The Conditional Placing, the Conditional Subscription and the Open Offer are conditional, *inter alia*, upon Shareholders approving the Resolutions at the General Meeting that will grant the Directors the authority to allot the Conditional Placing Shares, the Conditional Subscription Shares and the Open Offer Shares and the power to disapply statutory pre-emption rights in respect of the Conditional Placing Shares, the Conditional Subscription Shares and the Open Offer Shares. The Resolutions are set out in the Notice of General Meeting at the end of this Document.

The purpose of this Document is to set out the background to and reasons for the Fundraising, to give details of each of the Conditional Placing, the Conditional Subscription and the Open Offer and to recommend that you vote in favour of each of the Resolutions required to be passed to implement them. The Fundraising is conditional upon, amongst other things, the passing of the Resolutions and is expected to complete on 20 March 2019, being the expected date of admission to trading on AIM of the New Ordinary Shares.

2. The Firm Placing and the Firm Subscription

On 28 February 2019, the Company announced details of the Firm Placing and the Firm Subscription of, in aggregate, 10,720,000 new Ordinary Shares with and by new and existing investors to raise approximately £0.9 million (before expenses). The Firm Placing and the Firm Subscription were within the Directors' existing authorities and therefore were not conditional upon the Resolutions being passed.

3,293,268 of the 5,846,868 Ordinary Shares subscribed by Committed Capital as part of the Firm Subscription have been issued, conditional upon their admission to trading on AIM (which is expected to become effective at 8.00 a.m. on 6 March 2019), in satisfaction of the Company's obligations under the Advance Subscription Agreement, further details of which are set out at paragraph 4.1(d) of Part VI of this Document.

Admission to trading on AIM of the Firm Placing Shares and the Firm Subscription Shares is expected to become effective and dealings are expected to commence therein at 8.00 a.m. on 6 March 2019.

3. Background to and reasons for the Fundraising

Since the Company's fundraising in 2017, the Company has made considerable progress on a number of fronts. However, for the reasons set out in the Company's audited final results for the year ended 30 September 2018, which were announced on 11 December 2018, revenue for the year ended 30 September 2018 was marginally below that reported in the previous year. Additionally, following its launch in the UK of the Apple HomeKit range, the Company accelerated the development of its European device range. As a consequence, these factors have together had a material impact on the level of the Company's monthly rate of cash burn.

Since the Company's appointment of Jason Elliott as Chief Executive in July 2018, its monthly revenue run rate has increased markedly with revenue in the first quarter of the year ending 30 September 2019 almost equalling that generated in the first half of the year ended 30 September 2018. The Board anticipates that this improved momentum will continue.

European compatible Apple HomeKit devices have recently been released in Apple stores in Belgium, France, Germany, Holland, Sweden, Austria, Denmark, Italy, Switzerland and Spain. Further devices for Europe are in the final development stage. In addition, the Company has recently announced a partnership with Resideo, formerly part of the Honeywell group.

Following a number of excellent product endorsements, the Company is seeking to raise funds by way of the Fundraising to develop further its marketing and sales capabilities to build on the substantial progress now being made. Further investment in product development of the Apple HomeKit compatible Smart Series range will also be made.

4. Details of the Conditional Placing and the Conditional Subscription

The Conditional Placing

The Company has conditionally raised a minimum of £0.6 million before expenses by the conditional placing of a minimum of 7,097,280 Ordinary Shares at the Issue Price to Placees.

The Conditional Placing is conditional, *inter alia*, upon:

- (a) the passing of the Resolutions;
- (b) the Placing Agreement becoming or being declared unconditional in all respects and not having been terminated in accordance with its terms; and
- (c) Admission becoming effective by no later than 8.00 a.m. on 20 March 2019 or such later time and/or date (being no later than 8.00 a.m. on 29 March 2019) as Stockdale and the Company may agree.

If any of the conditions is not satisfied, the Conditional Placing Shares will not be issued.

The Conditional Placing Shares are not subject to clawback. The Conditional Placing is not being underwritten. The Conditional Placing Shares will be issued free of all liens, charges and encumbrances and will, when issued and fully paid, rank *pari passu* in all respects with the Existing Ordinary Shares, including the right to receive all dividends and other distributions declared, made or paid after the date of Admission.

Application will be made to the London Stock Exchange for the admission of the Conditional Placing Shares to trading on AIM. It is expected that Admission will occur and that dealings will commence at 8.00 a.m. on 20 March 2019 (or such later date, being not later than 8.00 a.m. on 29 March 2019, as the Company and Stockdale may agree) at which time it is also expected that the Conditional Placing Shares will be enabled for settlement in CREST.

The Conditional Subscription

The Company has conditionally raised approximately £1.0 million before expenses by the conditional subscription of 11,594,500 Ordinary Shares at the Issue Price.

The Conditional Subscription is conditional, *inter alia*, upon:

- (a) the passing of the Resolutions; and
- (b) Admission becoming effective by no later than 8.00 a.m. on 20 March 2019, or such later time and/or date (being no later than 8.00 a.m. on 29 March 2019) as Stockdale and the Company may agree.

Committed Capital has agreed to subscribe for 10,917,840 Ordinary Shares under the Conditional Subscription.

If any of the conditions is not satisfied, the Conditional Subscription Shares will not be issued.

The Conditional Subscription Shares are not subject to clawback. The Conditional Subscription is not being underwritten. The Conditional Subscription Shares will be issued free of all liens, charges and encumbrances and will, when issued and fully paid, rank *pari passu* in all respects with the Existing Ordinary Shares, including the right to receive all dividends and other distributions declared, made or paid after the date of Admission.

Application will be made to the London Stock Exchange for the admission of the Conditional Subscription Shares to trading on AIM. It is expected that Admission (other than in respect of the Deferred Settlement Shares) will occur and that dealings will commence at 8.00 a.m. on 20 March 2019 (or such later date, being not later than 8.00 a.m. on 29 March 2019, as the Company and Stockdale may agree) at which time it is also expected that the Conditional Subscription Shares will be enabled for settlement in CREST.

The Company has agreed that settlement be deferred in respect of 10,917,840 new Ordinary Shares, forming part of the Conditional Subscription. Settlement of the Deferred Settlement Shares is expected by 6 April 2019 but in any event no later than 29 April 2019. As a result, these shares will be allotted no later than

29 April 2019 and dealings in these shares are expected to commence no later than 8.00 a.m. on 30 April 2019.

5. Details of the Open Offer

The Company is proposing to raise approximately £0.5 million (before expenses) pursuant to the Open Offer. The Open Offer Shares will be issued at the Issue Price.

The Open Offer is being made on a pre-emptive basis, allowing all Shareholders on the register as at 6.00 p.m. on 28 February 2019 the opportunity to participate.

The Open Offer provides Qualifying Shareholders with the opportunity to apply to acquire Open Offer Shares at the Issue Price *pro rata* to their holdings of Qualifying Shares as at the Record Date on the following basis:

1 Open Offer Share for every 12 Qualifying Shares

and so on in proportion to any other number of Qualifying Shares then held.

Entitlements to apply to acquire Open Offer Shares will be rounded down to the nearest whole number and any fractional entitlement to Open Offer Shares will be disregarded in calculating the Basic Entitlement.

Other than in the case of Committed Capital (but only to the extent permitted by the Rule 9 Waiver), applications for Basic Entitlements will be rejected if and to the extent that acceptance would result in the Qualifying Shareholder, together with those acting in concert with him/her/it for the purposes of the City Code, holding 30 per cent. or more of the Enlarged Share Capital immediately following Admission.

Qualifying Shareholders who do not take up any of their Basic Entitlements will experience a dilution to their interests of approximately 33 per cent. following completion of the Fundraising (assuming full subscription under the Open Offer).

The Open Offer is not being underwritten.

The Open Offer is conditional, *inter alia*, upon:

- (a) the passing of the Resolutions at the General Meeting (or any adjournment thereof); and
- (b) Admission becoming effective by 8.00 a.m. on 20 March 2019 (or such later time or date not being later than 8.00 a.m. on 29 March 2019 as Stockdale and the Company may agree).

If any of the conditions is not satisfied, the Open Offer Shares will not be issued.

The New Ordinary Shares will, when issued and fully paid, rank *pari passu* in all respects with the Existing Ordinary Shares, including the right to receive all dividends and other distributions declared, made or paid after the date of Admission.

Committed Capital intends to subscribe for its Basic Entitlement under the Open Offer in full and to apply for all of the remaining Open Offer Shares using the Excess Application Facility, being, in aggregate, 5,964,387 Open Offer Shares. To the extent that applications are received in respect of more than 5,964,387 Open Offer Shares in aggregate, excess applications will be scaled back accordingly. Applications for Excess Shares will be allocated in such manner as the Directors may determine, in their absolute discretion.

Excess Applications

The Open Offer is structured to allow Qualifying Shareholders to subscribe for Open Offer Shares at the Issue Price *pro rata* to their holdings of Existing Ordinary Shares on the Record Date.

Qualifying Shareholders may also make applications in excess of their Basic Entitlements. To the extent that Basic Entitlements are not subscribed by Qualifying Shareholders, such Open Offer Shares will be available to satisfy such excess applications, subject to a maximum of 5,964,387 Open Offer Shares in aggregate. To the extent that applications are received in respect of more than 5,964,387 Open Offer Shares in aggregate, excess applications will be scaled back accordingly.

However, other than in the case of Committed Capital (but only to the extent permitted by the Rule 9 Waiver), excess applications will be rejected if and to the extent that acceptance would result in the Qualifying Shareholder, together with those acting in concert with him/her/it for the purposes of the City Code, holding 30 per cent. or more of the Enlarged Share Capital immediately following Admission.

Qualifying Shareholders should note that their applications under the Excess Application Facility will be allocated in such manner as the Directors may determine in their absolute discretion and no assurance can be given that an application for Excess Shares will be met in full or in part or at all. The Directors may determine in their absolute discretion not to accept any particular application under the Excess Application Facility.

Qualifying Shareholders should note that the Open Offer is not a rights issue. Qualifying non-CREST Holders should be aware that the Application Form is not a negotiable document and cannot be traded. Qualifying Shareholders should also be aware that in the Open Offer, unlike in a rights issue, any Open Offer Shares not applied for will not be sold in the market or placed for the benefit of Qualifying Shareholders who do not apply under the Open Offer.

Settlement and dealings

Application will be made to the London Stock Exchange for the Open Offer Shares to be admitted to trading on AIM. It is expected that Admission will become effective and that dealings will commence at 8.00 a.m. on 20 March 2019. Further information in respect of settlement and dealings in the New Ordinary Shares is set out in paragraph 8 of Part III of this Document.

Overseas Shareholders

Certain Overseas Shareholders may not be permitted to subscribe for Open Offer Shares pursuant to the Open Offer and should refer to paragraph 6 of Part III of this Document.

CREST instructions

Application has been made for the Basic Entitlements for Qualifying CREST Holders to be admitted to CREST. It is expected that the Basic Entitlements will be admitted to CREST on 4 March 2019.

The Excess CREST Open Offer Entitlements will also be admitted to CREST on 4 March 2019. Applications through the CREST system may only be made by the Qualifying Holder originally entitled or by a person entitled by virtue of a *bona fide* market claim.

If you are a Qualifying CREST Holder, no Application Form is enclosed with this Circular but you will receive a credit to your appropriate stock account in CREST in respect of your Basic Entitlement and if appropriate your Excess Entitlement. You should refer to the procedure for application set out in paragraph 3 of Part III of this Document. The relevant CREST instruction must have settled by no later than 11.00 a.m. on 18 March 2019.

Application Form

If you are a Qualifying non-CREST Holder, an Application Form which gives details of your Basic Entitlement under the Open Offer (as shown by the number of the Open Offer Shares allocated to you) is enclosed with this Circular. If you wish to apply for Open Offer Shares under the Open Offer, you should complete the accompanying Application Form in accordance with the procedure for application set out in paragraph 3 of Part III of this Document and on the Application Form itself. The completed Application Form, accompanied by full payment, should be returned by post or by hand (during normal business hours only) to Neville Registrars Limited, Neville House, Steelpark Road, Halesowen, West Midlands B62 8HD **so as to arrive as soon as possible and in any event no later than 11.00 a.m. on 18 March 2019.**

The latest time for applications under the Open Offer to be received is 11.00 a.m. on 18 March 2019. The procedure for application and payment depends on whether, at the time at which application and payment is made, you have an Application Form in respect of your Basic Entitlement or have your Basic Entitlement credited to your stock account in CREST. **If you are in any doubt as to what action you should take, you should immediately seek your own personal financial advice from your stockbroker, bank manager, solicitor, accountant or other independent professional adviser duly authorised under**

the Financial Services and Markets Act 2000 (as amended) if you are resident in the United Kingdom or, if not, from another appropriately authorised independent financial adviser.

6. Dispensation from Rule 9 of the Takeover Code

The Takeover Code applies to the Company and governs, *inter alia*, transactions which may result in a change of control of a company to which the Takeover Code applies.

Rule 9 of the Takeover Code

Under Rule 9 of the Takeover Code, any person who acquires, whether by a series of transactions over a period of time or not, an interest (as defined in the Takeover Code) in shares which, taken together with shares in which he is already interested, or in which persons acting in concert with him are interested, carry 30 per cent. or more of the voting rights of a company which is subject to the Takeover Code, is normally required to make a general offer to all the remaining Shareholders to acquire their shares.

Similarly, Rule 9 of the Takeover Code also provides that when any person, together with persons acting in concert with him, is interested in shares which, in aggregate, carry more than 30 per cent. of the voting rights of such company, but does not hold shares carrying 50 per cent. or more of such voting rights, a general offer will normally be required if any further interest in shares is acquired by any such person.

An offer under Rule 9 must be in cash and must be at the highest price paid by the person required to make the offer, or any person acting in concert with him, for any interest in shares of the company in question during the 12 months prior to the announcement of the offer.

Accordingly, the Concert Party is made up of Committed Capital Limited, Committed Capital Financial Services Limited, Steve Harris, Timothy Steel, Else Thomson, Mark Blandford and Judy Welch, all of whom are presumed to be acting in concert under the Takeover Code.

Committed Capital Limited is a private limited company registered in England and Wales with registered number 04479415 and whose registered office address is at 148-150 Buckingham Palace Road, London, England SW1W 9TR. It is the overall parent company of the Committed Capital group of companies and acts as the main operating company for that group. Committed Capital Limited is an Appointed Representative for FCA purposes, and undertakes any retail or alternative investment fund manager (AIFM) qualifying investment undertaken by its investors into investee companies. Such investments are held in investee companies using MNL Nominees Limited. In addition, Committed Capital Limited carries on non-regulated consulting advice, for example in relation to assisting investee companies to apply for EIS advance assurance, and reviewing EIS regulation compliance, general business advice and research and development ("R&D") tax credit assistance.

Committed Capital Limited's trading is in line with its current year forecasts; being the principal operating company it continues to review costs and ensure that they are competitive across the group. The retail fund management operations continue to grow gradually. Management expects that the approach of the end of the tax year will lead to an acceleration in investee company funding by retail investors and their independent financial advisers. As this fund develops and grows, Committed Capital's revenue is likely to show increased growth. Consulting revenues are also growing strongly as legislation around EIS compliance and R&D tax credits continues to become more stringent.

The business is likely to increase headcount in the next 12 months, to meet resource requirements and increased business. As a group, Committed Capital expects total funds under management to approximately double during the current financial year and it has a good pipeline of further investments and new investee companies to meet investment demand.

Waiver of Rule 9 of the Takeover Code

Concert Party

The Company has applied to the Panel for a waiver of Rule 9 of the Takeover Code in order to permit members of the Concert Party to subscribe for, in aggregate, 10,917,840 Conditional Subscription Shares under the Conditional Subscription and to permit Committed Capital (as a member of the Concert Party) to subscribe for all of the Open Offer Shares under the Open Offer, being 5,964,387 Open Offer Shares, without triggering an obligation on the part of the Concert Party to make a general offer for the Company. The Panel has agreed, subject to Resolution 1 at the General Meeting being passed on a poll of Independent Shareholders, to waive the requirement for the Concert Party to make a general offer to

all Shareholders where such an obligation would arise as a result of members of the Concert Party subscribing for New Ordinary Shares under the Conditional Subscription and as a result of Committed Capital subscribing for its Basic Entitlement under the Open Offer in full and applying for all of the remaining Open Offer Shares using the Excess Application Facility.

In the event that the waiver by the Panel is approved by Independent Shareholders passing Resolution 1 at the General Meeting, the Concert Party may hold between 30 per cent. and 50 per cent. of the Enlarged Share Capital following completion of the Transactions. Under Rule 9.1 of the Takeover Code, any further acquisition of Ordinary Shares carrying voting rights by the Concert Party in excess of what has been permitted by the Rule 9 Waiver will trigger a mandatory offer for the Company.

In addition, the Concert Party will not be restricted from making an offer for the Company unless the Concert Party either makes a statement that it does not intend to make an offer or enters into an agreement with the Company not to make an offer. No such statement has been made or agreement entered into as at the date of this Document.

In the event that the waiver by the Panel is approved by Independent Shareholders passing Resolution 1 at the General Meeting, CCFSL may hold between 30 per cent. and 50 per cent. of the Enlarged Share Capital following completion of the Transactions. Under Rule 9.1 of the Takeover Code, any further acquisition of Ordinary Shares carrying voting rights by CCFSL in excess of what has been permitted by the Rule 9 Waiver will trigger a mandatory offer for the Company.

In addition, CCFSL will not be restricted from making an offer for the Company unless CCFSL either makes a statement that it does not intend to make an offer or enters into an agreement with the Company not to make an offer. No such statement has been made or agreement entered into as at the date of this Document.

Intentions of the Concert Party and CCFSL

Following completion of the Transactions, the Company's business will be continued in the same manner as it is at present. The Concert Party and CCFSL have each confirmed that they have no intention to change the Company's current plans with respect to: (i) the Company's future business (including the Company's intentions for its research and development functions), (ii) the continued employment of the employees and management of the Company, including any material change in conditions of employment or in the balance of the skills and functions of the employees and management; (iii) its strategic plans for the Company, or their likely repercussions on employment or the locations of the Company's places of business, including on the location of the Company's headquarters and headquarters functions; (iv) employer contributions into any pension scheme(s), the accrual of benefits for existing members, or the admission of new members; (v) the redeployment of the fixed assets of the Company; or (vi) maintenance of the Company's trading facility for the Ordinary Shares.

Further details of the relationship agreement are set out at paragraph 4.1(c) of Part VI of this Document.

7. Use of net proceeds

The net proceeds of the Fundraising are expected to be approximately £2.8 million. It is proposed that such proceeds will be used to continue to scale the Group's business, expand sales and marketing, execute on obligations in Europe and provide working capital.

8. Placing Agreement

Under a placing agreement entered into between the Company and Stockdale, Stockdale has conditionally agreed to act as placing agent to the Company and to use reasonable endeavours to procure Placées to subscribe for the Firm Placing Shares and the Conditional Placing Shares at the Issue Price.

The Placing Agreement sets out the conditions relating to the Firm Placing and the Conditional Placing.

The Conditional Placing is conditional upon (amongst other things) the satisfaction of the following conditions:

- (a) Admission taking place no later than 8.00 a.m. on 20 March 2019 (or such later time and/or date as the Company and Stockdale may agree being no later than 29 March 2019);
- (b) there being no breach of warranty in the Placing Agreement prior to Admission;
- (c) the performance by the Company of its obligations under the Placing Agreement and/or other terms of or conditions to the Conditional Placing prior to Admission; and
- (d) the passing of the Resolutions at the General Meeting.

The Placing Agreement contains certain customary warranties from the Company in favour of Stockdale in relation to, *inter alia*, the accuracy of the information contained in this Document and certain other matters relating to the Group and its business. In addition, the Company has given certain undertakings to Stockdale and has agreed to indemnify Stockdale in relation to certain customary liabilities they may incur in respect of the Transactions. Stockdale has the right to terminate the Placing Agreement in certain circumstances prior to Admission including, *inter alia*: (i) for certain force majeure events or other events involving certain material adverse changes or prospective material adverse changes relating to the Group; or (ii) in the event of a breach of the warranties or other obligations of the Company set out in the Placing Agreement.

It also intends to subscribe for its Basic Entitlement under the Open Offer in full and to apply for all of the remaining Open Offer Shares using the Excess Application Facility. As at the date of this Document, Committed Capital holds 14,717,334 Existing Ordinary Shares representing approximately 20.56 per cent. of the Existing Ordinary Shares. As such, Committed Capital is a substantial shareholder of the Company and its participation in the Firm Subscription and the Conditional Subscription and its subscription for its Basic Entitlement under the Open Offer and all of the remaining Open Offer Shares using the Excess Application Facility are related party transactions pursuant to AIM Rule 13 of the AIM Rules.

The Directors (other than Steve Harris, a Non-Executive Director of the Company, who is also the Chief Executive Officer of Committed Capital) consider, having consulted with the Company's nominated adviser, Stockdale, that the terms of Committed Capital's participation in the Firm Subscription, Conditional Subscription and its subscription for its Basic Entitlement and its subscription for all of the remaining Open Offer Shares under the Excess Application Facility under the Open Offer are fair and reasonable insofar as the Shareholders are concerned.

Immediately following Admission (and assuming the Resolutions are passed), Committed Capital will hold 35,856,074 Ordinary Shares, representing approximately 33.53 per cent. of the Enlarged Share Capital.

10. Current trading

On 4 January 2019, the Company announced a trading update for the three months ended 31 December 2018, being the first quarter of its financial year ending 30 September 2019, the contents of which are set out below:

“LightwaveRF plc (“LightwaveRF”, “Lightwave” or the “Company”), the leading smart home solutions provider, announces the following trading update for the three months ended 31 December 2018, being the first quarter of its financial year ending 30 September 2019 (“Q1 2019”).

- Revenue increased by 156% to £1.15 million (Q1 2018: £0.45 million) of which:
 - Telesales revenue increased by 46% to £229,000 (Q1 2018: £156,600); and
 - E-commerce revenue increased by 506% to £291,000 (Q1 2018: £48,000)
- Record E-commerce Black Friday week performance, which ran from 19 to 26 November 2018, with sales of £130,000 (2017: £5,000)

Following the improvements made last year to its sales and marketing strategies, the Company increased its revenue run rate by 50% in the final quarter of the financial year ended 30 September 2018, compared to the average over the previous three quarters. This momentum continued into Q1 2019, with revenue increasing by 156% to £1.15 million compared to the corresponding quarter last financial year, which reflects the strength and breadth of the Company's product offerings and growing brand loyalty.

Jason Elliott, Chief Executive of Lightwave, commented:

“Having delivered a number of process improvements over the past six months to drive revenue growth, the Company is encouraged by what it has achieved in Q1 2019, almost equalling the £1.17 million generated during H1 2018.

“Lightwave's retailer and distributor relationships and requisite marketing initiatives are now substantially expanded. I am confident that we can maintain this momentum by focusing on the channels and products, such as our lighting range, that are performing well.”

11. EIS and VCT Status

The Company has received advance assurance from HMRC that HMRC would be able to authorise the Company to issue compliance certificates under section 204(1) of the Income Tax Act 2007 in respect of the Firm Placing Shares, the Firm Subscription Shares, the Conditional Placing Shares and the Conditional Subscription Shares. The Company has not received any advance assurance from HMRC as regards whether the Firm Placing Shares, the Firm Subscription Shares, the Conditional Placing Shares and the Conditional Subscription Shares will be capable of being a “qualifying holding” for the purposes of investment by VCTs. If the Company carries on activities beyond those disclosed to HMRC, then Shareholders may cease to qualify for the tax benefits. Neither the Company, the Directors nor any of the Company's advisers give any warranty, undertaking or other assurance that any tax reliefs will continue to be available and not withdrawn at a later date. The actual availability of EIS relief and qualifying status for VCT purposes would be contingent upon certain conditions being met by both the Company and the relevant investors.

Shareholders and proposed investors must take their own professional advice in order that they may fully understand how the relief legislation may apply in their individual circumstances and rely on it.

12. General Meeting

You will find set out at the end of this Document a notice convening the General Meeting to be held at the offices of LightwaveRF, Innovation Birmingham Campus, Faraday Wharf, Holt Street, Birmingham B7 4BB at 11.00 a.m. on 19 March 2019 at which the following resolutions will be proposed as ordinary or special resolutions as indicated below:

Resolution 1 seeks Independent Shareholders' approval, as explained in paragraph 6 above, of a waiver of the obligations that could arise for the Concert Party (individually or collectively) to make a general offer for the entire issued share capital of the Company that it does not already own as a result of:

- (i) any member of the Concert Party participating in the Conditional Subscription;
- (ii) Committed Capital subscribing for its Basic Entitlement under the Open Offer in full; and
- (iii) Committed Capital applying for all of the remaining Open Offer Shares using the Excess Application Facility.

Accordingly, the Independent Directors unanimously recommend Shareholders to vote in favour of the Resolutions as they intend so to do in respect of their beneficial shareholdings amounting to, in aggregate, 3,685,423 Ordinary Shares, representing approximately 5.15 per cent. of the Existing Ordinary Shares.

Details of the Placing Agreement and the Placing Shares

Stockdale has entered into the Placing Agreement with the Company under which, on the terms and subject to the conditions set out in the Placing Agreement, Stockdale, as agent for and on behalf of the Company, has agreed to use its reasonable endeavours to procure Placees to subscribe for the Placing Shares at the Issue Price.

The Placing shall consist of a Firm Placing and a Conditional Placing, with such subscription commitments in each instance being conditional upon the conditions (summarised below) being satisfied by the Company or otherwise waived by Stockdale.

All Placing Shares will, when issued, be subject to the Articles of Association and be credited as fully paid and will rank *pari passu* in all respects with the Existing Ordinary Shares, including the right to receive all dividends

and other distributions declared, made or paid in respect of such Existing Ordinary Shares after the date of issue of the Placing Shares.

Principal terms of the Placing

1. Stockdale is acting as nominated adviser and broker to the Company, and as agent for and on behalf of the Company. Stockdale is authorised and regulated in the United Kingdom by the FCA and is acting exclusively for the Company and no one else in connection with the matters referred to in this announcement and will not be responsible to anyone other than the Company for providing the protections afforded to its customers or for providing advice in relation to the matters described in this announcement.

The Issue Price, number of Placing Shares and type of Placing Shares (whether Firm Placing Shares or Conditional Placing Shares) will be agreed between the Company and Stockdale at the close of the Bookbuild and confirmed to Placees by telephone and/or email along with their final allocation and will be disclosed in the announcement confirming the result of the Placing.
4. Each Placee's allocation is determined by Stockdale in its discretion and has been or will be confirmed orally by Stockdale and a Form of Confirmation will be dispatched as soon as possible thereafter. That oral confirmation will give rise to an irrevocable, legally binding commitment by that person (who at that point becomes a Placee), in favour of Stockdale and the Company, under which it agrees to acquire the number of Placing Shares allocated to the Placee at the Issue Price and otherwise on the terms and subject to the conditions set out in this Appendix and in accordance with the Articles of Association. Except with Stockdale's prior written consent, such commitment will not be capable of variation or revocation at the time at which it is submitted.
5. Each Placee's allocation and commitment will be evidenced by a Form of Confirmation issued to each such Placee by Stockdale. The terms and conditions of this Appendix will be deemed incorporated into that Form of Confirmation.
6. Each Placee will have an immediate, separate, irrevocable and binding obligation, owed to Stockdale (as agent for the Company), to pay to Stockdale (or as Stockdale may direct) in cleared funds an amount equal to the product of the Issue Price and the number of Placing Shares such Placee has agreed to acquire and the Company has agreed to allot and issue to that Placee.
7. Irrespective of the time at which a Placee's allocation(s) pursuant to the Placing is/are confirmed, settlement for all Firm Placing Shares to be issued pursuant the Firm Placing will be required to be made at the same time and settlement for all Conditional Placing Shares to be issued pursuant the Conditional Placing will be required to be made at the same time, on the basis explained below under "**Registration and Settlement**".

Further details regarding EIS and VCT status

The Company has received advance assurance from HMRC that HMRC would be able to authorise the Company to issue compliance certificates under section 204(1) of the ITA 2007 in respect of the Placing Shares following receipt of a form EIS1 satisfactorily completed. If the Company carries on activities beyond those disclosed to HMRC, then Shareholders may cease to qualify for the tax benefits. The Company has not received any advance assurance from HMRC as regards whether the Placing Shares will be capable of being a “qualifying holding” for the purposes of investment by VCTs. The actual availability of EIS relief and qualifying status for VCT purposes would be contingent upon certain conditions being met by both the Company and the relevant investors.

Investors must take their own professional advice in order that they may fully understand how the relief legislation may apply in their individual circumstances and rely on it.

Registration and Settlement

Settlement of transactions in the Placing Shares will take place inside the CREST system.

Settlement of transactions in the Placing Shares will, unless otherwise agreed, take place on a delivery versus payment basis within CREST.

The Company will procure the delivery of the Placing Shares to CREST accounts operated by Stockdale for the Company and Stockdale will enter their delivery (DEL) instructions into the CREST system. The input to CREST by each Placee of a matching or acceptance instruction will then allow delivery of the relevant Placing Shares to that Placee against payment at the relevant time.

Interest may be charged in respect of payments not received for value at that time.

The Company reserves the right to require settlement for and delivery of the Placing Shares (or a portion thereof) to any Placee in any form it requires if, in Stockdale's opinion, delivery or settlement is not possible or practicable within CREST or would not be consistent with the regulatory requirements in the Placee's jurisdiction.

Each Placee is deemed to agree that, if it does not comply with these obligations, the Company may sell any or all of the Placing Shares allocated to that Placee on such Placee's behalf and retain from the proceeds, for the Company's account and benefit, an amount equal to the aggregate amount owed by the Placee plus any interest due. The relevant Placee will, however, remain liable for any shortfall below the aggregate amount owed by it and may be required to bear any stamp duty or stamp duty reserve tax (together with any interest or penalties) which may arise upon the sale of such Placing Shares on such Placee's behalf.

Following the close of the Bookbuild for the Placing, each Placee allocated Placing Shares in the Placing will be sent a conditional trade confirmation(s) stating the number of Placing Shares (and confirmation as to whether the Placing Shares are Firm Placing Shares or Conditional Placing Shares) to be allocated to it at the Issue Price and the subscription amount payable to be allocated to it and will be required to provide Stockdale with funds sufficient to purchase such securities prior to the Settlement Date (see below).

It is expected that settlement with regard to the Firm Placing Shares will take place on 6 March 2019 in CREST in accordance with the instructions set out in the conditional trade confirmation. Settlement will be through Stockdale against CREST ID: MAMAY (as applicable).

It is expected that settlement with regard to the Conditional Placing Shares will take place on 20 March 2019 in CREST in accordance with the instructions set out in the conditional trade confirmation. Settlement will be through Stockdale against CREST ID: MAMAY (as applicable).

Each Placee agrees that it will do all things necessary to ensure that delivery and payment is completed in accordance with the applicable registration and settlement procedures, including if applicable, CREST rules and regulations and settlement instructions that it has in place with Stockdale.

If the Placing Shares are to be delivered to a custodian or settlement agent, Placees should ensure that the conditional trade confirmation is copied and delivered immediately to the relevant person within that organisation.

ISIN code for the Placing Shares: GB00BKJ9BV58

SEDOL code for the Placing Shares: BKJ9BV5

No UK stamp duty or stamp duty reserve tax should be payable to the extent that the Placing Shares are issued into CREST to, or to the nominee of, a Placee who holds those shares beneficially (and not as agent or nominee

for any other person) within the CREST system and registered in the name of such Placee or such Placee's nominee provided that the Placing Shares are not issued to a person whose business is or includes issuing depositary receipts or the provision of clearance services or to an agent or nominee for any such person.

The agreement to settle a Placee's subscription (and/or the subscription of a person for whom such Placee is contracting as agent) free of stamp duty and stamp duty reserve tax depends on the settlement relating only to a subscription by it and/or such person direct from the Company for the Placing Shares in question. Such agreement assumes that the Placing Shares are not being subscribed for in connection with arrangements to issue depositary receipts or to transfer the Placing Shares into a clearance service. If there are any such arrangements, or the settlement relates to any other subsequent dealing in the Placing Shares, UK stamp duty or stamp duty reserve tax may be payable, for which neither the Company nor Stockdale will be responsible, and the Placee to whom (or on behalf of whom, or in respect of the person for whom it is participating in the Placing as an agent or nominee) the allocation, allotment, issue or delivery of Placing Shares has given rise to such UK stamp duty or stamp duty reserve tax undertakes to pay such UK stamp duty or stamp duty reserve tax forthwith and to indemnify on an after-tax basis and to hold harmless the Company and Stockdale in the event that the Company or Stockdale has incurred any such liability to UK stamp duty or stamp duty reserve tax. If this is the case, each Placee should seek its own advice and notify Stockdale accordingly.

In addition, Placees should note that they will be liable for any stamp duty and all other stamp, issue, securities, transfer, registration, documentary or other duties or taxes (including any interest, fines or penalties relating thereto) payable outside the UK by them or any other person on the subscription by them of any Placing Shares or the agreement by them to subscribe for any Placing Shares.

Conditions of the Firm Placing

The Firm Placing is conditional upon the Placing Agreement becoming unconditional and not having been terminated in accordance with its terms.

The obligations of Stockdale under the Firm Placing are, conditional upon, *inter alia*:

- a) none of the warranties or undertakings contained in the Placing Agreement being or having become untrue, inaccurate or misleading in any material respect at any time before First Admission, which individually or collectively Stockdale (acting reasonably) considers to be material and adverse in the context of the Placing;
- b) the performance by the Company of its obligations under the Placing Agreement to the extent they fall to be performed prior to First Admission;
- c) the Company issuing and allotting the Firm Placing Shares prior to and, conditional only on First Admission, in accordance with the Placing Agreement; and

(all conditions in connection with the Firm Placing being together, the "Firm Placing Conditions").

Conditions of the Conditional Placing

The obligations of Stockdale under the Conditional Placing and the Open Offer are, conditional upon, *inter alia*:

- a) none of the warranties or undertakings contained in the Placing Agreement being or having become untrue, inaccurate or misleading in any material respect at any time before Second Admission, which individually or collectively Stockdale (acting reasonably) considers to be material and adverse in the context of the Placing;
- b) the performance by the Company of its obligations under the Placing Agreement to the extent they fall to be performed prior to Second Admission (including the Firm Placing Conditions);
- c) the Panel Waiver being granted by the Panel;
- d) the passing without amendment (or with such amendments as Stockdale may agree) of the Resolutions at the Meeting on 19 March 2019 (or such later date as Stockdale may agree);
- e) the Company issuing and allotting the Conditional Placing Shares and the Open Offer Shares as soon as reasonably practicable after the passing of the Resolutions, conditional only on Second Admission, in accordance with the Placing Agreement;
- f) Second Admission taking place by not later than 8.00 a.m. on 20 March 2019 (or such later date as the Company and Stockdale may agree in writing, in any event being not later than the second long-stop date, being 29 March 2019),

(all conditions in connection with the Conditional Placing and Open Offer being together, the "Conditional Placing Conditions").

Termination of the Placing

Stockdale may terminate the Placing Agreement in certain circumstances, details of which are set out below.

If any of the Firm Placing Conditions are not fulfilled or, where permitted, waived in accordance with the Placing Agreement within the stated time periods (or such later time and/or date as the Company and Stockdale may agree) the Placing Agreement and the rights and obligations in it shall terminate at such time and each Placee yet to be allocated Firm Placing Shares agrees that no claim can be made by or on behalf of the Placee (or any person on whose behalf the Placee is acting) in respect thereof.

If any of the Conditional Placing Conditions are not fulfilled or, where permitted, waived in accordance with the Placing Agreement within the stated time periods (or such later time and/or date as the Company and Stockdale may agree) the Placing Agreement and the rights and obligations in it shall terminate at such time and each Placee yet to be allocated Conditional Placing Shares agrees that no claim can be made by or on behalf of the Placee (or any person on whose behalf the Placee is acting) in respect thereof.

By participating in the Placing, each Placee agrees that its rights and obligations cease and terminate only in the circumstances described herein and will not be capable of rescission or termination by it.

Certain conditions may be waived in whole or in part by Stockdale, in its absolute discretion and Stockdale may also agree in writing with the Company to extend the time for satisfaction of any condition. Any such extension or waiver will not affect Placees' commitments as set out in this announcement.

Neither Stockdale, the Company nor any of their respective affiliates, agents, directors, officers or employees shall have any liability to any Placee (or to any other person whether acting on behalf of a Placee or otherwise) in respect of any decision any of them may make as to whether or not to waive or to extend the time and/or date for the satisfaction of any condition nor for any decision any of them may make as to the satisfaction of any condition or in respect of the Placing generally, and by participating in the Placing, each Placee agrees that any such decision is within the absolute discretion of Stockdale.

Stockdale may terminate the Placing Agreement (in respect of its obligations yet to be performed), in accordance with its terms, at any time prior to First Admission or Second Admission if, *inter alia*:

1. it comes to the attention of Stockdale that any of the warranties in the Placing Agreement were not true or accurate, or were misleading in any material respect when made or if any of the warranties in the Placing Agreement become untrue, inaccurate or misleading in any material respect; or
2. it comes to the attention of Stockdale that the Company has committed a material breach or material breaches of any of its obligations under the Placing Agreement,

in each case in a respect which Stockdale acting reasonably considers to be material and adverse in the context of the Placing.

Stockdale may also terminate the Placing Agreement (in respect of its obligations yet to be performed), in accordance with its terms, at any time prior to First Admission or Second Admission if there is:

1. any material adverse change in the context of the Placing, whether or not foreseeable at the date of the Placing Agreement, in, or any development involving a prospective material adverse change in or affecting, the condition, financial or otherwise, or the earnings or business affairs or business prospects of the Group, whether or not arising in the ordinary course of business; or
2. any of the following:
 - 2.1 the suspension of trading in securities generally on the London Stock Exchange or trading is limited or minimum prices established on the London Stock Exchange; or
 - 2.2 the declaration of a banking moratorium in London or any material disruption to commercial banking or securities settlement or clearance services in the UK; or
 - 2.3 any change, or development involving a prospective change, in national or international financial, economic, political, industrial or market conditions or currency exchange rates or exchange controls, or any incident of terrorism or outbreak or escalation of hostilities or any declaration by the UK or the US of a national emergency or war or any other calamity or crisis,

which events described above Stockdale in its reasonable opinion considers to be likely to have an adverse effect on the financial or trading position or the business or prospects of the Group which is material in the context of Group as a whole or which renders the Placing impracticable or inadvisable.

If the Placing Agreement is terminated in accordance with its terms, the rights and obligations of each Placee in respect of any Placing Shares not yet settled shall terminate at such time and no claim can be made by any Placee in respect thereof.

By participating in the Placing, each Placee agrees with the Company and Stockdale that the exercise by the Company or Stockdale of any right of termination or any other right or other discretion under the Placing Agreement shall be within the absolute discretion of the Company or Stockdale and that neither the Company nor Stockdale need make any reference to such Placee and that neither Stockdale, the Company, nor any of their respective affiliates, agents, directors, officers or employees shall have any liability to such Placee (or to any other person whether acting on behalf of a Placee or otherwise) whatsoever in connection with any such exercise.

By participating in the Placing, each Placee agrees that its rights and obligations terminate only in the circumstances described above and will not be capable of rescission or termination by it after the issue by Stockdale of a Form of Confirmation confirming each Placee's allocation and commitment in the Placing.

Such agreement assumes that the Placing Shares are not being acquired in connection with arrangements to issue depository receipts or to transfer the Placing Shares into a clearance service. 31. the representations, warranties, acknowledgements and undertakings contained in this this Appendix are given to Stockdale for itself and on behalf of the Company and are irrevocable.

Each Placee and any person acting on behalf of the Placee acknowledges that Stockdale does not owe any fiduciary or other duties to any Placee in respect of any representations, warranties, undertakings, acknowledgements, agreements or indemnities in the Placing Agreement.

Each Placee and any person acting on behalf of the Placee acknowledges and agrees that Stockdale may (at its absolute discretion) satisfy its obligation to procure Placees by itself agreeing to become a Placee in respect of some or all of the Placing Shares or by nominating any connected or associated person to do so.
