About LightwaveRF

LightwaveRF is the UK's only fully integrated home automation company.

New customers typically buy a starter pack of Link Plus hub and smart dimmer which has Apple HomeKit compatibility, 2-way communication and built-in energy monitoring. Later adding other easy to install devices from the Lightwave range enables further in-home control, monitoring and automation of lighting, heating and power.

Devices may be operated manually, by smartphone or tablet-based apps and also through Google Assistant and Amazon Alexa voice control.

Leading tech industry publication 9to5 Mac describes LightwaveRF as "the best UK HomeKit solution for smart lighting".
