

ECZEMA

WHAT TO USE

 TRUELIPIDS® Eczema Experts™ 1%
Hydrocortisone Barrier Cream

 TRUELIPIDS® Relieve & Protect Ointment

 TRUELIPIDS® Ceramide+ Cream

DIRECTIONS:

Apply  TRUELIPIDS® Eczema Experts™ 1% Hydrocortisone Barrier Cream first, then apply  TRUELIPIDS® Relieve & Protect Ointment directly on top of the cream. Repeat 2-4 times a day until inflammation is gone.

Then apply  TRUELIPIDS® Ceramide+ Cream first, and then apply  TRUELIPIDS® Relieve & Protect Ointment directly on top of Creamide+ Cream 2-4 times a day until skin is normal.

Use  TRUELIPIDS® Ceramide+ Cream as your twice daily maintenance moisturizer.
